

Proclamation

NAMING OF THE BERTHOUD RESERVOIR WATER TREATMENT UNIT

WHEREAS, the water in the east cell of the Berthoud Reservoir often becomes cloudy in the springtime when the air becomes warm and algae bloom; and

WHEREAS, the Town of Berthoud applied for and was awarded an Immediate Needs Grant from Larimer County to purchase an ultrasonic water treatment unit to combat said algae; and

WHEREAS, said ultrasonic water treatment unit continuously clears the source of Berthoud's drinking water of algae blooms; and

WHEREAS, many people are unaware of the fascinating technological advancements made in water robotics to help maintain optimal water quality; and

WHEREAS, a contest was organized to find a name for this marvelous piece of technology while also sharing this interesting information; and

WHEREAS, many names were entered into consideration and, from those, ten were selected for voting; and

WHEREAS, Berthoud residents voted for their favorite buoy name; and David Buoy, submitted by Georgia Hills, received the most votes,

NOW THEREFORE by the powers vested in me as Mayor of the Town of Berthoud, I do hereby proclaim the ultrasonic water treatment unit floating in the east cell of Berthoud Reservoir to be officially named David Buoy.

Given under my hand in these free United States in the Town of Berthoud, on this 13th day of September 2022, and to which I have caused the Seal of the Town of Berthoud to be affixed and have made this proclamation public.

William Karspeck, Mayor
