Evaluate the feasibility of a parallel roadway alignment between County Line Road and I-25. Recommendations are consistent with the previous planning completed in the Mountain Avenue Corridor Design Plan.

Future study and recommendations for SH 60 will be coordinated with CDOT, Larimer County, and Johnstown.

Dashed lines denote proposed arterial and collector roads.

- Highway
- 4-Lane Arterial Road
- 2-Lane Arterial Road
- Major Collector Road
- Minor Collector Road
- Local Road
- Transit Route (proposed)
- Transit Stop (proposed)
- Trails | Regional
- Trails | Town
- Trails | Developer-Built
- Natural Areas
