

RESOLUTION 2-00

OF THE BOARD OF TRUSTEES OF THE TOWN OF BERTHOUD
SUPPORTING THE PREPARATION OF A NORTHERN COLORADO
REGIONAL COMMUNITIES I-25 CORRIDOR PLAN

WHEREAS, eight northern Colorado jurisdictions, consisting of Fort Collins, Loveland, Berthoud, Windsor, Johnstown, and Timnath, and Larimer and Weld counties have agreed to participate in the preparation of a Northern Colorado Regional Communities I-25 Corridor Plan to be completed by December, 2001, in cooperation with the Colorado Department of Transportation and North Front Range Transportation and Air Quality Planning Council; and

WHEREAS, the jurisdictions of Fort Collins, Loveland, Berthoud, Windsor, Johnstown, Timnath, and Larimer County have appropriated funds for the purposes of preparing the Plan; and

WHEREAS, the participating jurisdictions desire to work cooperatively in regional growth related efforts, and have directed staff to prepare a work program, schedule, budget, and seek outside consultant assistance in the preparation of a planning document designed to address future development issues along the I-25 Corridor; and

WHEREAS, the participating jurisdictions desire to define and agree upon the components to be addressed by the Plan; and

WHEREAS, the participating jurisdictions desire to work in the spirit of cooperation toward resolution of issues that will require regional solutions and/or approaches; and

WHEREAS, the Board of Trustees of the Town of Berthoud desires to continue to cooperate with the other participating jurisdictions of the region in completion of the Plan; and

WHEREAS, upon completion of the Plan, the participating jurisdictions agree to consider adoption and implementation of the Plan in a manner appropriate for each jurisdiction.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWN OF BERTHOUD THAT:

Section 1. The Town of Berthoud understands and agrees that the Plan will include the following components:

- (A) Definition of shared community values and issues within the Corridor area;
- (B) Inventory of existing and future conditions within the Corridor area;
- (C) Development of a vision for the Corridor's future development pattern and character;

- (D) Prediction of future multi-modal transportation activity along the Corridor and recommend improvements to the transportation network serving development along the Corridor, as well as provision of policy direction for the regional communities;
- (E) Identification of significant open lands and natural areas and preparation of policies and recommendations for their conservation and interrelationships with future land use patterns;
- (F) Development of voluntary design guidelines and mandatory design standards to set the desired Corridor character to be adopted and implemented by participating communities;
- (G) Development of an action plan to implement the Plan's recommendations; and
- (H) Provision of opportunities for ongoing and meaningful participation and multi-media communication with public, elected officials, and staff.

Section 2. The Board of Trustees agrees to work in a spirit of cooperation toward resolution of issues that will require regional solutions and/or approaches.

Section 3. The Board of Trustees desires to continue to cooperate with the other participating jurisdictions in the region in completion of the Plan.

Section 4. The Board of Trustees desires, upon completion of the Plan, to consider adoption and implementation of the Plan in a manner appropriate for the Town of Berthoud.

Passed and adopted at a regular meeting of the Board of Trustees held this 25th day of January, 2000.
