

RESOLUTION NO. 9-94

A RESOLUTION SUPPORTING A LARIMER COUNTY 1/4 CENT SALES AND USE TAX TO FUND ACQUISITION AND DEVELOPMENT OF SUITABLE OPEN SPACE AND TRAIL CORRIDORS.

WHEREAS, the residents of the Berthoud area overwhelmingly support the maintenance of our geographic identity through the acquisition of development rights; and,

WHEREAS, Berthoud, as a community, is committed to parks and open space and its character is rooted in those ideals. Many members of this community have worked very hard to see that Berthoud was included in the Larimer County Comprehensive Parks Master Plan. Continuing and supporting that effort by this Board is critical.

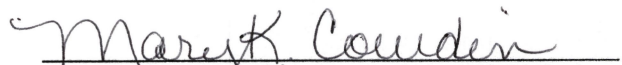

NOW, THEREFORE, the Board of Trustees of the Town of Berthoud support a voter approved 1/4 cent sales and use tax for seven (7) years to fund acquisition and development of suitable open space and trail corridors from willing sellers based on the adopted Larimer County Comprehensive Parks Master Plan.

This increase in funding is important to consider because it benefits all residents of Larimer County and provides specific benefits to those of us who live within the community of Berthoud. These benefits include a proposed link between the Little Thompson River and Lonetree Reservoir which comes through Berthoud, and is a part of the adopted Master Plan.

TOWN OF BERTHOUD:

Richard Strachan - Mayor

I, Mary K. Cowdin, Clerk of the Town of Berthoud, do hereby certify that the foregoing resolution proposed by the Board of Trustees of the Town of Berthoud was duly passed and adopted by the Board of Trustees of the Town of Berthoud at a regular meeting thereof assembled this 9th day of August, 1994 by the following vote: Ayes 6 Nays 1 Absent 0
