First off, we started this meeting by going over old business and voting to confirm the minutes for May 6. We had Amanda from the Recreation Department come meet to talk about a possible dodgeball tournament and also to plan Third of July. Right now, we are planning to set the Third of July celebration up by the high school and the baseball fields. We are planning to check back with her in a week. We also continued planning the trash pick up day, scheduled for June 19<sup>th</sup> at 9 AM to 11 AM. We are going to use locations from last year and keep thinking of new locations. We finished off by talking more about Berthoud Days and the parade on June 5<sup>th</sup>. We're planning to make our own float on June 4<sup>th</sup> and acquire a helium tank. Our next meeting is on June 3<sup>rd</sup>.
