Town of Berthoud Right-of-Way Permit Extension Request:

The ROW permit applicant may apply for an extension to the ROW permit that will be: limited, upon written application for an extension, payment of the fee(s), and being found to have fully complied with the conditions and requirements of the original ROW permit. Extension requests must be made on or before the Work End Date of the original ROW Permit, or a new permit may be requested.

If more than one extension has been requested, the original permit may be Voided, and a new ROW Permit and material(s) to be submitted. Please be prepared to submit payment when submitting this extension. Once payment has been received (over the phone credit card payment only), the ROW Permit Extension Request will be issued and delivered by email with a copy of the receipt of payment.

Please maintain and attach the Extension Request with the original ROW Permit at the work location.

Reason for Extension Request (note the work location):
