Community Clean-Up Event Scheduled For April 26 – May 11, 2024

Berthoud, Colorado (April 10, 2024) - The Town of Berthoud will hold its annual Community Clean-Up Event from April 26 through May 11, 2024. Residents of the Town can take a load of household items to the Larimer County Landfill free of charge by using a Town-issued landfill voucher. Vouchers will be available for pick up at Town Hall during regular business hours starting Monday, April 22. Every Berthoud household is eligible to receive one voucher, and residents must present an ID with their current home address or a recent utility bill to pick it up. Town Administrator Chris Kirk says, "I know people sell, recycle, and give away what they can, but inevitably, we all end up with things we can't use that are too big for regular garbage collection. We hope the community will take advantage of this event and feel good about their newly reclaimed spaces."

Some items, including tires, electronics, appliances, and mattresses, are not covered by the voucher and will require an additional fee. Please visit www.larimer.org/solidwaste for complete information and restrictions before arriving at the landfill. Town Hall is open 7:00 a.m.—5:30 p.m., Monday through Thursday.
