and interest on Parity Lien Bonds, the amounts required by the instruments authorizing or controlling the payment of such Parity Lien Bonds;

THIRD, to the credit of any other fund or account hereafter established for the payment of the principal of, premium if any, and interest on subordinate lien obligations secured by the Net Pledged Wastewater Revenues as described in paragraph (c) of the section hereof entitled "Pledge and Lien for Payment of Bonds," including any sinking fund, reserve fund, or similar fund or account established therefor, the amounts required by the ordinance or other enactment authorizing issuance of said subordinate lien obligations; and

FOURTH, to the credit of any other fund or account as may be designated by the Town, to be used for any lawful purpose, any moneys remaining in the Wastewater Operations Fund after the payments and accumulations set forth in First through Third hereof.

#### **Section 14. Bond Account.**

(a) ***Use of Moneys in Bond Account.*** Moneys deposited in the Bond Account shall be used solely for the purpose of paying the principal of, premium, if any, and interest on the Bonds.

(b) ***Deposits to Bond Account.*** On or before the last day of each month, commencing in the month next succeeding the date of issuance of the Bonds, the Town shall deposit to the Bond Account from the Net Pledged Wastewater Revenues, an amount equal to the Pro Rata Portion of the interest and principal to come due on the Bonds on the next succeeding Interest Payment Date and Principal Payment Date, respectively. All deposits to the Bond Account shall first be allocated to the payment of interest to come due on the Bonds.

#### **Section 15. Reserve Accounts**

(a) ***Use of Moneys in Reserve Accounts*** Moneys in the Reserve Account shall be used, if necessary, only to prevent a default in the payment of the principal of, premium, if any, and interest on the Bonds when due. Moneys on deposit in the Reserve Account or proceeds of the liquidation of Permitted Investments on deposit in the Reserve Account shall be transferred to the Bond Account on any date on which a payment of principal of, premium, if any, or interest on the Bonds is due to the extent the amount on deposit in the Bond Account is insufficient to make such payment.

(b) ***Funding and Maintenance of Reserve Account Requirement.*** The Reserve Account Requirement for the Bonds shall be funded and maintained by any one of or any combination of (i) cash; (ii) Permitted Investments; and (iii) a Reserve Account Contract which provides for payments when and as required for purposes of the applicable reserve account and is issued by an obligor whose obligations such as the Reserve Account Contract are either (A) rated by a Rating Agency as investment grade or (B) if a rating has been obtained on such Bonds whose obligations are rated by each Rating Agency that then maintains a rating on the Bonds in a category (or comparable classification) equal to or higher than the category, if any, in which the Bonds are rated. To the extent that the Reserve Account Requirement for the Bonds is funded

from Permitted Investments, such investments shall have an aggregate weighted term to maturity not greater than five years.

(c) ***Valuation of Deposits.*** Cash shall satisfy the Reserve Account Requirement for the Bonds by the amount of cash on deposit. Permitted Investments shall satisfy the Reserve Account Requirement for such Bonds by the value of such investments. The value of each Permitted Investment on deposit in the Reserve Account shall be (i) its purchase price from the date of purchase until the first date thereafter on which the Reserve Account Requirement is calculated pursuant to paragraph (d) of this section and (ii) following each date on which the Reserve Account Requirement is calculated pursuant to paragraph (d) of this section until the next date on which the Reserve Account Requirement is so calculated, its fair market value determined as of such calculation date. A Reserve Account Contract shall satisfy the Reserve Account Requirement for the Bonds by the amount payable to the Town pursuant to such contract.

(d) ***Calculation of Reserve Account Requirement and Transfers Resulting from Calculation.*** The Reserve Account Requirement for the Bonds shall be calculated as of (i) the date of issuance of the Bonds and (ii) not less than every five years. If at any time the calculated amount of the Reserve Account is less than the Reserve Account Requirement for the Bonds or transfers are made from the Reserve Account as provided in paragraph (a) hereof, then the Town shall deposit to the Reserve Account from the Net Pledged Wastewater Revenues, amounts sufficient to bring the amounts deposited in the Reserve Account to the Reserve Account Requirement for the Bonds. If at any time the calculated amount of the Reserve Account is more than the Reserve Account Requirement for the Bonds, then the Town shall transfer from the Reserve Account to the Bond Account any amounts which are in excess of the Reserve Account Requirement for the Bonds. Such deposits shall be made as soon as possible after such use or calculation, but in accordance with and subject to the limitations of the section hereof entitled "Deposit of Net Pledged Revenues."

(e) ***Transfer of Interest Income to Bond Account.*** The investment of moneys deposited in the Reserve Account shall be subject to the covenants and provisions of the section hereof entitled "Covenants Regarding Exclusion of Interest on Bonds from Gross Income for Federal Income Tax Purposes." Except to the extent otherwise required by such section, interest income from the investment or reinvestment of moneys deposited in the Reserve Account shall be transferred to the Bond Account.

**Section 16. Investments.** Moneys deposited in the Bond Account, and any moneys held by the Paying Agent with respect to the Bonds, shall be invested in Permitted Investments, provided that the investment of such moneys shall be subject to the covenants and provisions of the section hereof entitled "Covenants Regarding Exclusion of Interest on Bonds from Gross Income for Federal Income Tax Purposes." Unless otherwise provided herein, all interest income from the investment or reinvestment of moneys credited to any account or subaccount established herein shall remain in and become part of such account or subaccount.

**Section 17. Reserved.**

**Section 18. Pledge and Lien for Payment of Bonds.**

(a) ***Pledge of Revenues.*** The Town hereby pledges for the payment of the principal of, premium, if any, and interest on the Bonds and Parity Lien Bonds at any time Outstanding, and grants a lien for such purpose on (i) the Net Pledged Wastewater Revenues, (ii) all moneys on deposit from time-to-time in the Wastewater Operations Fund, subject to the application of the Gross Wastewater Revenues as provided in the section hereof entitled "Deposit of Gross Revenues," and (iii) all Pledged Wastewater Capital Revenues on deposit from time-to-time in the Wastewater Capital Fund; provided, however, that any reserve account created in the Wastewater Operations Fund shall be pledged solely for the benefit of the Bonds or Parity Lien Bonds for which such account was created. These pledges shall be valid and binding from and after the date of the first delivery of the Bonds, and the moneys, as received by the Town and hereby pledged, shall immediately be subject to the lien of the respective pledges without any physical delivery thereof, any filing, or further act. The liens of the respective pledges and the obligation to perform the contractual provisions hereby made shall have priority over any or all other obligations and liabilities of the Town (except as herein otherwise expressly provided), and the lien of the respective pledges shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Town (except as herein otherwise expressly provided), irrespective of whether such parties have notice thereof.

(b) ***Superior Liens Prohibited.*** With the exception of any superior liens in existence as of the date hereof, the Town shall not pledge or create any other lien on the revenues and moneys pledged pursuant to paragraph (a) hereof that is superior to the pledge thereof or lien thereon pursuant to such paragraphs.

(c) ***Subordinate Liens Permitted.*** Nothing herein shall prohibit the Town from issuing subordinate lien obligations and pledging or creating a lien on the revenues and moneys pledged and the lien created pursuant paragraph (a) hereof that is subordinate to the pledge thereof or lien thereon pursuant to such paragraph, provided that no Event of Default shall have occurred and be continuing.

(d) ***No Prohibition on Additional Security.*** Nothing herein shall prohibit the Town from applying any legally available revenues that are not Net Pledged Wastewater Revenues to the payment of the Bonds (and thereby subjecting the moneys so deposited to the pledge made and lien granted in paragraph (a) hereof).

(e) ***Bonds are Special, Limited Obligations of the Town.*** The Owners may not look to any general or other fund of the Town for the payment of the principal of or interest on the Bonds, except the funds and accounts pledged thereto by this Ordinance, and the Bonds shall not constitute a debt or an indebtedness of the Town within the meaning of any constitutional or statutory limitation, nor shall they be considered or held to be general obligations of the Town.

(f) ***Perfection of Security Interest.*** The creation, perfection, enforcement, and priority of the pledge of revenues to secure or pay the Bonds as provided herein shall be governed by Section 11-57-208, C.R.S. and the Acts. The revenues pledged for the payment of the Bonds, as received by or otherwise credited to the Town, shall immediately be subject to the lien of such pledge without any physical delivery, filing, or further act. The lien of such pledge on the revenues pledged for payment of the Bonds and the obligation to perform the contractual provisions made herein shall have priority over any or all other obligations and liabilities of the Town. The lien of such pledge shall be valid, binding, and enforceable as against all persons having claims of any kind in tort, contract, or otherwise against the Town irrespective of whether such persons have notice of such liens.

**Section 19. Conditions to Issuance of Parity Lien Bonds.** The Town shall not issue additional Parity Lien Bonds having a lien which is on a parity with the lien of the Bonds (as provided in the paragraph entitled "Pledge of Revenues" in the section hereof entitled "Pledge and Lien for Payment of Bonds") unless all of the following conditions are satisfied:

(a) ***Parity Lien Test.*** The Mayor or other Town official or employee designated in writing by the Mayor certifies in writing that either:

(i) the proceeds of the proposed Parity Lien Bonds will be used to refund the Bonds, or other Parity Lien Bonds, and the maximum annual principal of and interest due on the proposed Wastewater Parity Lien Bonds is not greater than the maximum annual principal of and interest due on the Bonds, or other Outstanding Parity Lien Bonds, that will be refunded; or

(ii) the Net Pledged Wastewater Revenues for any 12 consecutive months in the 18 months immediately preceding the month in which such certification is delivered (referred to in this paragraph as the "test period") have been equal to at least 120% of the sum of the maximum amount of principal of and interest due or to become due on the Bonds and any Outstanding Parity Lien Bonds, and the proposed Parity Lien Bonds during each calendar year following the date of issuance of the proposed Parity Lien Bonds, provided that in calculating the Net Pledged Wastewater Revenues during the test period, the Town may add an amount by which the Town reasonably estimates the Net Pledged Wastewater Revenues would have been increased during the test period from any increase in rates, fees, and charges for services furnished by or the use of the Wastewater System during or since said test period, the effect of which is to estimate a sum which would have been realized had the increase been in effect during the entire test period. For purposes of this test only, in calculating Net Pledged Wastewater Revenue, the Pledged Wastewater Capital Revenue shall be considered revenue in the month collected regardless of the date such revenues are thereafter transferred to the Wastewater Capital Fund.

(b) The ordinance, indenture or other document providing for the issuance of the Parity Lien Bonds must provide for a reserve account, which is established in the amount of the Reserve Account Requirement for such Parity Lien Bonds, and a bond account for the Parity Lien Bonds; such accounts must be established and maintained on substantially the same terms and contain substantially the same provisions as set forth in this Ordinance for the Reserve Account and the Bond Account, respectively.

(c) The Mayor (or other Town official or employee designated in writing by the Mayor) certifies in writing that no Event of Default has occurred and is continuing.

**Section 20. Additional General Covenants and Representations.** In addition to the other covenants of the Town contained herein, the Town hereby further covenants and represents for the benefit of Owners of the Bonds that:

(a) ***Maintenance of Wastewater Rates and Coverage.*** The Town hereby covenants that it will establish, maintain, enforce, and collect rates, fees, and charges for services furnished by or the use of the Wastewater System to create Gross Wastewater Revenue each calendar year sufficient to pay Wastewater Operation and Maintenance Expenses and to create Net Pledged Wastewater Revenue in an amount: (i) equal to not less than 120% of the amount necessary to pay when due the principal of and interest on the Bonds and any Parity Lien Bonds coming due during such calendar year; and (ii) sufficient to make up any deficiencies in the Wastewater Reserve Account. For purposes of calculating this covenant only, moneys deposited to the Wastewater Rate Stabilization Account shall not be considered Gross Wastewater Revenue in the calendar year deposited and moneys withdrawn from the Wastewater Rate Stabilization Account shall be considered Gross Wastewater Revenue in the year withdrawn; provided however, no moneys shall be considered to be Gross Wastewater Revenue in more than one calendar year and the deposit, if any, of moneys to the Wastewater Rate Stabilization Account shall not affect the pledge of the Town for payment of the Wastewater Bonds set forth in the section hereof entitled "Pledge and Lien for Payment of Bonds." In the event that the Gross Wastewater Revenue at any time is not sufficient to make such payments, the Town shall promptly increase such rates, fees, and charges to an extent which will ensure the payments and accumulations required by this Ordinance.

(b) ***Efficient Operations.*** The Town will continue to operate and manage the Wastewater System in an efficient and economical manner in accordance with all applicable laws, rules, and regulations, and keep and maintain separate accounts of the receipts and expenses thereof in such manner that the Net Pledged Wastewater Revenues may at all times be readily and accurately determined.

(c) ***No Free Service.*** Upon the occurrence of an Event of Default and for so long as the Event of Default is continuing, the Town will furnish no free service from the Wastewater System, and if the Town shall use the facilities of the Wastewater System for its own purposes, it shall pay monthly a fair and reasonable amount for such service. In no event shall the Town be required to meter its use nor shall the Town be required to pay a greater amount than would be charged a private consumer for the same amount of service. The Town shall include in its annual appropriation and budget amounts sufficient to pay for all service so used.

(d) ***Sale or Alienation of Property.*** The Town will not sell or alienate any of the property constituting any part or all of the System in any manner or to any extent as might reduce the security provided for the payment of the Bonds, but the Town may sell any portion of such property which shall have been replaced by other similar property of at least equal value, or which shall cease to be necessary for the efficient operations; provided however, that the proceeds of any such sale of Wastewater System property shall be included as part of the Gross Wastewater Revenue.

(e) ***Billing and Enforcement.*** The Town will promptly render bills for services furnished by or the use of the Wastewater System, shall use all legal means to assure prompt payment thereof, shall take such action as may be necessary to make delinquent rates, fees, and charges of the Wastewater System a lien upon the real property served, and to the extent permitted by law, shall discontinue service to any user who becomes delinquent in the payment of such charges until the delinquency and all interest, costs, and expenses incident thereto have been paid in full.

(f) ***Audits.*** At least once a year in the time and manner provided by law, the Town will cause an audit to be performed of the records relating to the revenues and expenditures of the Wastewater System. Such audit may be made part of and included within the general audit of the Town, and made at the same time as the general audit. In addition, at least once a year in the time and manner provided by law, the Town will cause a budget to be prepared and adopted. Copies of the budget and the audit will be filed and recorded in the places, time, and manner provided by law.

(g) ***Insurance.*** The Town will carry fire and extended coverage, workmen's compensation, public liability, and such other forms of insurance on insurable Wastewater System property as would ordinarily be carried by utilities having similar properties of equal value, such insurance being in such amounts as will protect the Wastewater System and its operations. In the event of any loss or damage to the Wastewater System, or in the event part or all of the Wastewater System is taken by the exercise of a power of eminent domain, the insurance proceeds or the condemnation award shall be used for restoring, replacing, or repairing the property lost, damaged, or taken, and the remainder thereof, if any, shall be considered as Gross Wastewater Revenue with respect to the Wastewater System; provided however, that if the Town Board determines that the operation of the Wastewater System and the security for the Bonds will not be adversely affected thereby, the Town Board may determine not to restore, replace, or repair the property lost, damaged, or taken and all of the insurance proceeds or condemnation award shall be considered as Gross Wastewater Revenue with respect to the Wastewater System.

(h) ***Enterprise Status.*** The Town has and will continue to maintain the Wastewater System as an "enterprise" within the meaning of Article X, Section 20 of the Colorado Constitution, and as a "water activity enterprise" within the meaning of Title 37, Article 45.1, C.R.S.; provided, however, after the current calendar year the Town may disqualify the Wastewater System as an "enterprise" in any year in which said disqualification does not materially, adversely affect the enforceability of the covenants made pursuant to this Ordinance with respect to the Bonds. In the event that the Wastewater System is disqualified as an enterprise and the enforceability of the covenants made pursuant to this Ordinance are materially, adversely affected, the Town covenants to (i) immediately take all actions necessary to qualify such system as an enterprise

within the meaning of Article X, Section 20 of the Colorado Constitution; and (ii) permit the enforcement of the covenants made herein.

(i) **Refunding.** The refunding of the Series 2012 Bonds with proceeds of the Bonds will, in accordance with Section 11-56-104(1), Colorado Revised Statutes, as amended, accomplish one or more of the following purposes: (i) reducing the net effective interest rate on the Town's bonds (based on a comparison of the net effective interest rate on the Series 2012 Bonds to the net effective interest rate on the Bonds); (ii) reducing total interest payable over the life of the Town's bonds, by issuing bonds of a shorter term, or at a lower net interest cost, or having a lower net effective interest rate than the Series 2012 Bonds; (iii) reducing the total principal and interest payable on the Series 2012 Bonds or the principal and interest payable thereon in any particular year or years, or (iv) effecting other economies.

(j) **No Legal or Equitable Action.** In accordance with Section 11-57-212, Colorado Revised Statutes, no legal or equitable action can be brought with respect to any legislative acts or proceedings in connection with the authorization or issuance of the Bonds more than 30 days after the issuance or authorization of such securities, whichever occurs later.

**Section 21. Covenants Regarding Exclusion of Interest on Bonds from Gross Income for Federal Income Tax Purposes.** For purposes of ensuring that the interest on the Bonds is and remains excluded from gross income for federal income tax purposes, the Town hereby covenants that:

(a) **Prohibited Actions.** The Town will not use or permit the use of any proceeds of the Bonds or any other funds of the Town from whatever source derived, directly or indirectly, to acquire any securities or obligations and shall not take or permit to be taken any other action or actions, which would cause any Bond to be an "arbitrage bond" within the meaning of Section 148 of the Code, or would otherwise cause the interest on any Bond to be includible in gross income for federal income tax purposes.

(b) **Affirmative Actions.** The Town will at all times do and perform all acts permitted by law that are necessary in order to assure that interest paid by the Town on the Bonds shall not be includible in gross income for federal income tax purposes under the Code or any other valid provision of law. In particular, but without limitation, the Town represents, warrants and covenants to comply with the following rules unless it receives an opinion of Bond Counsel stating that such compliance is not necessary: (i) gross proceeds of the Bonds will not be used in a manner that will cause the Bonds to be considered "private activity bonds" within the meaning of the Code, (ii) the Bonds are not and will not become directly or indirectly "federally guaranteed" and (iii) the Town will timely file Internal Revenue Form 8038-G which shall contain the information required to be filed pursuant to Section 149(e) of the Code.

(c) **Letter of Instructions.** The Town will comply with the Letter of Instructions delivered to it on the date of issuance of the Bonds, including but not limited by the provisions of the Letter of Instructions regarding the application and investment of Bond proceeds, the calculations, the deposits, the disbursements, the investments and the retention of records described in the Letter of Instructions; provided that, in the event the original Letter of Instructions is superseded or amended by a new Letter of Instructions drafted by, and accompanied by an opinion of Bond

Counsel stating that the use of the new Letter of Instructions will not cause the interest on the Bonds to become includible in gross income for federal income tax purposes, the Town will thereafter comply with the new Letter of Instructions.

**Section 22. Defeasance.** Any Bond shall not be deemed to be Outstanding hereunder if it shall have been paid and cancelled or if cash or Federal Securities shall have been deposited in trust for the payment thereof (whether upon or prior to the maturity of such Bond, but if such Bond is to be paid prior to maturity, the Town shall have given the Paying Agent irrevocable directions to give notice of redemption as required by this Ordinance, or such notice shall have been given in accordance with this Ordinance). In computing the amount of the deposit described above, the Town may include interest to be earned on the Federal Securities. If less than all the Bonds are to be defeased pursuant to this section, the Town, in its sole discretion, may select which of the Bonds shall be defeased.

**Section 23. Events of Default.** With respect to the Bonds, each of the following events constitutes an Event of Default:

(a) ***Nonpayment of Principal or Interest.*** The failure to make any payment of principal of, premium, if any, or interest on the Bonds when due hereunder;

(b) ***Material Covenant Breach.*** A breach by the Town of any material covenant set forth herein relating to the Bonds or failure by the Town to perform any material duty imposed on it hereunder and continuation of such breach or failure for a period of 60 days after receipt by the Town Attorney of the Town of written notice thereof from the Paying Agent or from the Owners of at least 10% in principal amount of the outstanding Bonds;

(c) ***Appointment of Receiver.*** An order or decree is entered by a court of competent jurisdiction appointing a receiver for all or any portion of the revenues and moneys pledged for the payment of the Bonds pursuant hereto is entered with the consent or acquiescence of the Town or is entered without the consent or acquiescence of the Town but is not vacated, discharged or stayed within thirty days after it is entered.

**Section 24. Remedies for Events of Default.**

(a) ***Remedies.*** Upon the occurrence and continuance of any Event of Default, the Owners of not less than 25% in principal amount of the applicable Bonds then Outstanding for which the Event of Default has occurred, may proceed against the Town to protect and to enforce the rights of any Owner of the applicable Bonds under this Ordinance by mandamus, injunction or by other suit, action or special proceedings in equity or at law, in any court of competent jurisdiction: (i) for the payment of interest on any installment of principal of any Bond that was not paid when due at the interest rate borne by such bond; (ii) for the appointment of a receiver or an operating trustee; (iii) for the specific performance of any covenant contained herein; (iv) to enjoin any act that may be unlawful or in violation of any right of any Owner of any Bond; (v) to require the Town to act as if it were the trustee of an express trust; (vi) for any other proper legal or equitable remedy as such Owner may deem most effectual to protect their rights or (vii) any combination of such remedies or as otherwise may be authorized by any statute or other provision of law; provided, however, that acceleration of any amount not yet due on the Bonds

according to their terms shall not be an available remedy. All such proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Owners of the applicable Bonds then Outstanding. Any receiver or operating trustee appointed in any proceedings to protect the rights of Owners of Bonds hereunder may collect, receive and apply all revenues and moneys pledged for the payment of the Bonds pursuant hereto arising after the appointment of such receiver or operating trustee in the same manner as the Town itself might do.

(b) ***Failure to Pursue Remedies Not a Release; Rights Cumulative.*** The failure of any Owner of any Bond then Outstanding to proceed in any manner herein provided shall not relieve the Town of any liability for failure to perform or carry out its duties hereunder. Each right or privilege of any such Owner or trustee therefor is in addition and is cumulative to any other right or privilege, and the exercise of any right or privilege by or on behalf of any Owner shall not be deemed a waiver of any other right or privilege thereof. Each Owner of any Bond shall be entitled to all of the privileges, rights and remedies provided or permitted in this Ordinance and as otherwise provided or permitted by law or in equity. Nothing herein affects or impairs the right of any Owner of any Bond to enforce the payment of the debt service due in connection with his or her Bond or the obligation of the Town to pay the debt service of each Bond to the Owner thereof at the time and the place specified herein.

(c) ***Obligations of Town and Paying Agent in Connection with Events of Default.*** Upon the occurrence and continuation of any of Events of Default: (i) the Town shall take all proper acts to protect and preserve the security for the payment of the Bonds and to insure the payment of debt service on the Bonds promptly when due; (ii) the Town and the Paying Agent shall give the Owners of the Bonds then Outstanding notice by first-class mail of (A) any default in the payment of, premium, if any, or interest on the Bonds immediately after discovery thereof and (B) any other Event of Default within 30 days after discovery thereof. During the continuation of any Event of Default, except to the extent it may be unlawful to do so, all revenues and moneys pledged for the payment of the Bonds pursuant hereto shall be held for and applied to the debt service on all Bonds on an equitable and prorated basis. If the Town fails or refuses to proceed as provided in this paragraph, the Owners of not less than 25% in principal amount of the Bonds then Outstanding, after demand in writing, may proceed to protect and to enforce the rights of the Owners of the Bonds as provided in this paragraph; and to that end any such rights of Owners of Bonds then Outstanding shall be subrogated to all rights of the Town under any agreement or contract involving the revenues and moneys pledged for the payment of the Bonds pursuant hereto that was entered into prior to the effective date of this Ordinance or thereafter while any of the Bonds are Outstanding. Nothing herein requires the Town to proceed as provided in this paragraph if it determines in good faith and without any abuse of its discretion that such action is likely to affect materially and prejudicially the Owners of the Bonds then Outstanding.

## **Section 25. Amendment of Ordinance.**

(a) ***Amendments Permitted without Notice to or Consent of Owners.*** The Town may, without the consent of or notice to the Owners of the Bonds, adopt one or more ordinances amending or supplementing this Ordinance, which ordinances shall thereafter become a part hereof, for any one or more or all of the following purposes:

(i) to cure any ambiguity or to cure, correct or supplement any defect or inconsistent provision of this Ordinance;

(ii) to subject to this Ordinance additional revenues, properties or collateral;

(iii) to facilitate the designation of a substitute securities depository or to terminate the book-entry-registration system for the Bonds in accordance with the section hereof entitled "Bond Details;"

(iv) to facilitate the issuance of Parity Lien Bonds permitted to be issued pursuant to the section hereof entitled "Conditions to Issuance of Parity Lien Bonds;"

(v) to facilitate the funding of the Reserve Account or the substitution of one source of funding of the Reserve Account for another permitted source in accordance with the section hereof entitled "Reserve Account;"

(vi) to make any other change that does not materially adversely affect the Owners of the Bonds.

(b) ***Amendments Requiring Notice to and Consent of Owners.*** Except for amendments permitted by Section 22(a) hereof, this Ordinance may only be amended (i) by an ordinance of the Town amending or supplementing this Ordinance (which, after the consents required therefor, shall become a part hereof); and (ii) with the written consent of the Owners of at least 66-2/3% in aggregate principal amount of the Bonds then Outstanding (the consent of the Owners of the Water Bonds shall not be required with respect to any amendments relating solely to the Owners of the Wastewater Bonds and the consent of the Owners of the Wastewater Bonds shall not be required with respect to any amendments relating solely to the Owners of the Water Bonds); provided that any amendment that makes any of the following changes with respect to any Bond shall not be effective without the written consent of the Owner of such bond: (A) a change in the maturity of such bond; (B) a reduction of the interest rate on such bond; (C) a change in the terms of redemption of such bond; (D) a delay in the payment of principal of, premium, if any, or interest on such bond; (E) the creation of any pledge of or lien upon any revenues or moneys pledged for the payment of such bond hereunder that is superior to the pledge and lien for the payment of such bond hereunder; (F) a relaxation of the conditions to the issuance of Parity Lien Bonds or to the creation of any pledge of or lien upon any revenues or moneys pledged for the payment of such bond hereunder that is equal to or on a parity with the pledge and lien for the payment of such bond hereunder; (G) a reduction of the principal amount or percentage of Bonds whose consent is required for an amendment to this Ordinance; or (H) the establishment of a priority or preference for the payment of any amount due with respect to any other Bond over such bond.

(c) ***Procedure for Notifying and Obtaining Consent of Owners.*** Whenever the consent of an Owner or Owners of Bonds is required under paragraph (b) hereof, the Town shall mail a notice to such Owner or Owners at their addresses as set forth in the registration books maintained by the Paying Agent and to the Underwriter, which notice shall briefly describe the proposed amendment and state that a copy of the amendment is on file in the office of the Town Clerk for inspection. Any consent of any Owner of any Bond obtained with respect to an

amendment shall be in writing and shall be final and not subject to withdrawal, rescission or modification for a period of 60 days after it is delivered to the Town unless another time period is stated for such purpose in the notice mailed pursuant to this paragraph.

**Section 26. Supplemental Act.** Pursuant to the Supplemental Act, the Board elects to apply all of the provisions of the Supplemental Act to the issuance of the Bonds. Pursuant to § 11-57-210, C.R.S., the Bonds shall contain a recital that they are issued pursuant to certain provisions of the Supplemental Act. Such recital shall be conclusive evidence of the validity and the regularity of the issuance of the Bonds after their delivery for value. Pursuant to § 11-57-212, C.R.S., no legal or equitable action brought with respect to any legislative acts or proceedings in connection with the authorization or issuance of the Bonds shall be commenced more than 30 days after the authorization of such securities. Pursuant to § 11-57-209, C.R.S., if a member of the Board, or any officer or agent of the Town acts in good faith, no civil recourse shall be available against such member, officer or agent for payment of the principal, interest or prior redemption premiums, if any, on the Bonds. Such recourse shall not be available either directly or indirectly through the Board or the Town, or otherwise, whether by virtue of any constitution, statute, rule of law, enforcement of penalty or otherwise. By the acceptance of the Bonds and as a part of the consideration of their sale or purchase, any Person purchasing or selling such Bond specifically waives any such recourse.

**Section 27. Appointment and Duties of Paying Agent.** The Paying Agent is hereby appointed as paying agent, registrar and authenticating agent for the Bonds unless and until the Town removes it as such and appoints a successor Paying Agent, in which event such successor shall automatically succeed to the duties of the Paying Agent hereunder and its predecessor shall immediately turn over all its records regarding the Bonds to such successor. The Paying Agent, by accepting its duties as such, agrees to perform all duties and to take all actions assigned to it hereunder in accordance with the terms hereof. The appointment and acceptance of the duties of Paying Agent hereunder may be affected through the execution of an agreement between the Town and the Paying Agent.

**Section 28. Approval of Official Statement and Miscellaneous Documents.** The Board hereby ratifies and approves the distribution and use of the Preliminary Official Statement; authorizes and directs the Town staff to prepare a final Official Statement for use in connection with the sale of the Bonds; and for a period of one year following the adoption of this Ordinance, authorizes the Sale Delegate to execute the Sale Certificate and to execute the Bond Purchase Agreement; and authorizes and approves the execution of the Paying Agent Agreement and all documents and certificates necessary or desirable to effectuate the issuance of the Bonds and the transactions contemplated hereby; provided that the Preliminary Official Statement, the Bond Purchase Agreement and the Paying Agent Agreement shall be in substantially the forms thereof presented at the meeting at which this Ordinance is adopted or as otherwise available to the Board, with such changes therein, if any, not inconsistent herewith, as are approved by the Town (which, once executed by the appropriate Town official, shall constitute conclusive evidence of approval of the Town). The Mayor is hereby authorized and directed to execute the final Official Statement and the Mayor, the Town Clerk and all other officers of the Town are hereby authorized and directed to execute all of the foregoing documents and certificates necessary or desirable to effectuate the issuance of the Bonds and the transactions contemplated hereby and

execution by the parties thereto shall constitute the Board's approval of such documents and certificates in the form so executed.

**Section 29. Ratification of Prior Actions.** All actions heretofore taken (not inconsistent with the provisions of this Ordinance) by the Town Board or by the officers and employees of the Town directed toward the issuance of the Bonds for the purposes herein set forth are hereby ratified, approved and confirmed.

**Section 30. Events Occurring on Days That Are Not Business Days.** Except as otherwise specifically provided herein with respect to a particular payment, event or action, if any payment to be made hereunder or any event or action to occur hereunder which, but for this section, is to be made or is to occur on a day that is not a Business Day shall instead be made or occur on the next succeeding day that is a Business Day.

**Section 31. Headings.** The headings to the various sections and paragraphs to this Ordinance have been inserted solely for the convenience of the reader, are not a part of this Ordinance, and shall not be used in any manner to interpret this Ordinance.

**Section 32. Ordinance Irrepealable.** After any of the Bonds have been issued, this Ordinance shall constitute a contract between the Owners and the Town, and shall be and remain irrepealable until the Bonds and the interest accruing thereon shall have been fully paid, satisfied, and discharged, as herein provided.

**Section 33. Severability.** It is hereby expressly declared that all provisions hereof and their application are intended to be and are severable. In order to implement such intent, if any provision hereof or the application thereof is determined by a court or administrative body to be invalid or unenforceable, in whole or in part, such determination shall not affect, impair or invalidate any other provision hereof or the application of the provision in question to any other situation; and if any provision hereof or the application thereof is determined by a court or administrative body to be valid or enforceable only if its application is limited, its application shall be limited as required to most fully implement its purpose.

**Section 34. Repealer.** All orders, bylaws, ordinances, and resolutions of the Town, or parts thereof, inconsistent or in conflict with this Ordinance, are hereby repealed to the extent only of such inconsistency or conflict.

TOWN OF BERTHOUD, COLORADO, in the State of Colorado, a duly organized and validly existing town and political subdivision of the State of Colorado, acting by and through its Wastewater Enterprise (the “Town”), for value received, hereby promises to pay to the order of the registered owner named above or registered assigns, solely from the special funds as hereinafter set forth, on the maturity date stated above, the principal sum stated above, in lawful money of the United States of America, with interest thereon from the original dated date stated above, at the interest rate per annum stated above, payable on April 15 and October 15 of each year, commencing October 15, 2024, the principal of and premium, if any, and the final installment of interest on this bond being payable to the registered owner hereof upon presentation and surrender of this bond at the principal operations office of UMB Bank, n.a., as Paying Agent (the “Paying Agent”), in Denver, Colorado, or at such other location as identified by the Paying Agent, and the interest hereon (other than the final installment of interest hereon) to be paid by check or draft of the Paying Agent mailed on the interest payment date to the registered owner hereof as of the close of business on the first day of the month (whether or not such day is a Business Day) in which such interest payment date occurs, except that so long as

Cede & Co. is the registered owner of this bond, the principal of, premium, if any, and interest on this bond shall be paid by wire transfer to Cede & Co.

This bond is one of an issue of bonds of the Town designated Wastewater Revenue Refunding Bonds, Series 2024, issued in the principal amount of \$\_\_\_\_\_ (the "Bonds"). The Bonds are being issued by the Town for the purpose of refunding certain outstanding obligations of the Town pursuant to and in full conformity with the Constitution and laws of the State of Colorado and an ordinance (the "Ordinance") duly adopted by the Town prior to the issuance hereof.

{Insert Optional Redemption and Mandatory Sinking Fund Redemption Provisions}

At its option, to be exercised on or before the forty fifth day next preceding each sinking fund redemption date, the Town may (i) deliver to the Paying Agent for cancellation any Bonds with the same maturity date as the Bonds subject to such sinking fund redemption and (ii) receive a credit in respect of its sinking fund redemption obligation for any Bonds with the same maturity date as the Bonds subject to such sinking fund redemption which prior to such date have been redeemed (otherwise than through the operation of the sinking fund) and cancelled by the Paying Agent and not theretofore applied as a credit against any sinking fund redemption obligation. Each Bond so delivered or previously redeemed shall be credited by the Paying Agent at the principal amount thereof to the obligation of the Town on such sinking fund redemption date, and the principal amount of Bonds to be redeemed by operation of such sinking fund on such date shall be accordingly reduced.

Notice of any redemption of Bonds shall be given by the Paying Agent in the name of the Town by sending a copy of such notice by first-class, postage prepaid mail, not less than 30 days prior to the redemption date, to the Owner of each Bond being redeemed. Such notice shall specify the number or numbers of the Bonds so to be redeemed (if redemption shall be in part) and the redemption date. If any Bond shall have been duly called for redemption and if, on or before the redemption date, there shall have been deposited with the Paying Agent in accordance with this Ordinance funds sufficient to pay the redemption price of such Bond on the redemption date, then such Bond shall become due and payable at such redemption date, and from and after such date interest will cease to accrue thereon. Failure to deliver any redemption notice or any defect in any redemption notice shall not affect the validity of the proceeding for the redemption of Bonds with respect to which such failure or defect did not occur. Any Bond redeemed prior to its maturity by prior redemption or otherwise shall not be reissued and shall be cancelled.

The Paying Agent shall maintain registration books in which the ownership, transfer and exchange of the Bonds shall be recorded. The person in whose name this bond shall be registered on such registration books shall be deemed to be the absolute owner hereof for all purposes, whether or not payment on this bond shall be overdue, and neither the Town nor the Paying Agent shall be affected by any notice or other information to the contrary. This bond may be transferred or exchanged, at the principal operations office of the Paying Agent in Denver, Colorado, or at such other location as identified by the Paying Agent, for a like aggregate principal amount of the Bonds of other authorized denominations (\$5,000 or any integral multiple thereof) of the same maturity and interest rate, upon payment by the transferee

of a transfer fee, any tax or governmental charge required to be paid with respect to such transfer or exchange and any cost of printing bonds in connection therewith.

The principal of and interest on this Bond are payable only out of: (a) a special account of the Town designated as the Wastewater Bond Account, into which the Town covenants and agrees to deposit, from certain fees, charges and revenues derived from the operation of the wastewater facilities comprising the Town's Wastewater Enterprise after deduction of operations and maintenance costs (the "Net Pledged Revenues"), amounts sufficient to pay the principal of and interest on the Bonds when the same become due and payable and (b) if necessary, a special account designated as the Wastewater Reserve Account, all as more particularly set forth in the Bond Ordinance. The Bonds of this issue constitute an irrevocable and first lien upon the Net Pledged Revenues, but not necessarily an exclusive such lien. The Town is authorized to pledge and grant a lien, on a parity with the lien for the payment of the Bonds upon satisfaction of certain conditions set forth in this Ordinance.

This bond is issued pursuant to and in accordance with the Constitution of the State of Colorado; Title 31, Article 35, Part 4, C.R.S.; Title 37, Article 45.1, C.R.S.; Title 11, Article 56, Part 2, C.R.S., and Section 11-57-210, C.R.S., and all other laws of the State of Colorado thereunto enabling. This bond, including the interest hereon, is payable solely from and secured solely by the special funds provided in the Ordinance and shall not constitute a debt or an indebtedness of the Town within the meaning of any constitutional or statutory limitation, nor shall this bond be considered or held to be a general obligation of the Town.

THE ORDINANCE CONSTITUTES THE CONTRACT BETWEEN THE REGISTERED OWNER OF THIS BOND AND THE TOWN. THIS BOND IS ONLY EVIDENCE OF SUCH CONTRACT AND, AS SUCH, IS SUBJECT IN ALL RESPECTS TO THE TERMS OF THE ORDINANCE, WHICH SUPERSEDES ANY INCONSISTENT STATEMENT IN THIS BOND.

The Town agrees with the owner of this bond and with each and every person who may become the owner hereof, that it will keep and perform all the covenants and agreements contained in the Ordinance.

The Ordinance may be amended or supplemented from time-to-time with or without the consent of the registered owners of the Bonds as provided in the Ordinance.

It is hereby certified that all conditions, acts and things required by the constitution and laws of the State of Colorado, and the ordinances of the Town, to exist, to happen and to be performed, precedent to and in the issuance of this bond, exist, have happened and have been performed, and that the Bonds do not exceed any limitations prescribed by said Constitution or laws of the State of Colorado, or the resolutions of the Town.

This bond shall not be entitled to any benefit under the Ordinance, or become valid or obligatory for any purpose, until the Paying Agent shall have signed the certificate of authentication hereon.

IN WITNESS WHEREOF, Town of Berthoud, Colorado, acting by and through its Wastewater Enterprise, has caused this bond to be signed in the name and on behalf of the Town

with the manual or facsimile signature of the Mayor, to be sealed with the seal of the Town or a facsimile thereof and to be attested by the manual or facsimile signature of the Town Clerk.
