## ***Berthoud Local Celebrates the Opening of the Newly Remodeled Community Garden at Pioneer Park***

*By Emmy Ingham, Berthoud Local*

We're excited to share that the Community Garden at Pioneer Park has been newly revitalized! Thanks to the incredible support and partnership with the Town of Berthoud, this space is now better than ever—and ready to grow alongside our community.

At Berthoud Local, our mission has always been to create meaningful connections between our community and local agriculture. The Community Garden has been a small but vital part of that mission, offering hands-on opportunities to learn about sustainable growing practices and food independence. As part of its transformation, the new community garden is fully inclusive, featuring garden beds at three different heights: 32 inches, 24 inches, and 17 inches. All entries and exits to the garden are ADA-approved, ensuring accessibility for people of all ages and abilities. This thoughtful design allows everyone in our community, from young children to seniors and those with mobility challenges, to participate and enjoy gardening together.

Each season, the garden is planned, planted, and harvested by a passionate team of volunteers who love sharing their time and knowledge. We're always happy to welcome new faces, whether you're an experienced gardener or just getting started. It's also a fantastic way to meet new people, learn a few new gardening tricks, and enjoy the outdoors. If you're interested in volunteering or learning more about the community garden, please email [info@berthoudlocal.org](mailto:info@berthoudlocal.org) or call 970-528-9788. Weather permitting, we will start planting at the end of May and we would love to see you!

Berthoud Local also offers a variety of educational classes throughout the year, covering everything from gardening skills and food preservation to local food production and more. Check out our website at <https://berthoudlocal.wixsite.com/berthoudlocal> and sign up for our newsletter or follow us on Facebook and Instagram to stay in the loop.

Regardless of how you find us, we look forward to experiencing all things Berthoud Local with you! Thank you for your support!

**Questions? Call the Town of Berthoud at 970.532.2643**

**Water Feature Re-Opens May 19**

## Town Park Water Feature Returns on May 19

We're excited to announce that the water feature at Town Park will be on for the season beginning on May 19th. Whether for the kids to cool down and burn off their extra energy or for some calming waterfall background noise while you read a book in the dry zone, the water will soon be flowing again at Berthoud Town Park. (Weather permitting, of course.)

## Sidewalks and Streets Work for 2025

The Town's Streets department is ready to start its 2025 work on select roads and sidewalks. If your home is in the scheduled zone, you will be notified by our friendly staff. If you want to know if or when they will be coming to your neighborhood, visit [www.Berthoud.org/streets](http://www.Berthoud.org/streets) to find the 2025 schedule in the 5-Year Road and Sidewalk Repair Plans.

## Berthoud Day is Moving Back to Town Park!

Brought to you by the Berthoud Area Chamber of Commerce, Berthoud Day is always held on the first Saturday in June. It kicks off with a Boy Scouts pancake breakfast to fuel the pickleball tournament that happens before the Mountain Avenue parade and ends with a full day of music, vendors, and food trucks at Berthoud's newly renovated Town Park. Visit [Berthoudcolorado.com](http://Berthoudcolorado.com) for more information on this fun, full-day, family-friendly event.

## Town of Berthoud Clean-Up Vouchers Are Still Available

There is still time for Town of Berthoud residents to stop by Town Hall and pick up their Community Clean Up landfill voucher. The Town will cover the cost of dumping a load of most household items at the Larimer County Landfill until May 10. Visit [www.Larimer.gov/solidwaste](http://www.Larimer.gov/solidwaste) or call (970) 498-5770 for complete information and restrictions, and visit [Berthoud.org/Cleanup](http://Berthoud.org/Cleanup) or call (970) 532-2643 for details on the program.
