24	Having two young kids I'm most excited about the nature play area and irrigation features	1/10/2024 6:32 PM
25	Looks like it will be a nice place to do some exercise and just walk amongst nature. But is the cost worth the effort for the residents.	1/10/2024 5:08 PM
26	The variety of species planned	1/10/2024 5:04 PM
27	The suggestion of native plants and pollinators	1/10/2024 5:02 PM

Berthoud Arboretum

28	I like the addition of so much vegetation and walking area.	1/10/2024 4:24 PM
29	The circular farm.	1/10/2024 4:15 PM
30	Looks amazing!	1/10/2024 3:28 PM
31	Utilizing low water, native vegetation and trees. Also integrating a children's water play area in the irrigation canal.	1/10/2024 3:27 PM
32	Eliminated	1/10/2024 3:17 PM
33	Nothing! Waste of tax dollars, and doesn't address the real needs of the city.	1/10/2024 2:46 PM
34	The tree selection	1/10/2024 2:27 PM
35	Beautiful walking trail	1/10/2024 2:18 PM
36	Everything	1/10/2024 1:43 PM
37	All of the trees I live right outside berthoud	1/10/2024 1:42 PM
38	I love the ideas for community gardens and crops and native/pollinator areas. What a gorgeous plan to bring people together!	1/10/2024 1:12 PM
39	The trees and a place for the towns people to spend time with family	1/10/2024 1:10 PM
40	The walking trails	1/10/2024 1:08 PM
41	Green	1/10/2024 12:49 PM
42	Looks great!	1/10/2024 12:41 PM
43	I think building an arboretum in Berthoud is a terrible idea. What Berthoud needs is to attract new businesses to generate tax revenue!	1/10/2024 12:39 PM
44	The irrigation area with pedestrian bridge and dock	1/10/2024 12:39 PM
45	Trees and green spaces are vital to a growing community.	1/10/2024 12:15 PM
46	Walking paths , the natural habitats & the use of local trees	1/10/2024 12:14 PM
47	Considering that Berthoud is known to be "The Garden spot of Colorado." This is a GREAT idea!	1/10/2024 12:10 PM
48	How if Berthoud in general is having water issues do they provide enough for this monstrosity	1/10/2024 12:02 PM
49	Limits the number of houses built.	1/10/2024 12:00 PM
50	All the trees and green space	1/10/2024 11:56 AM
51	Love the trails and natural areas for kids	1/10/2024 11:44 AM
52	walking trails and natural playgrounds	1/10/2024 11:39 AM
53	The wide path is nice. The pollinator area is great as well	1/10/2024 9:36 AM
54	The nature area and irrigation canal for kids to play in.	1/10/2024 9:05 AM
55	The division of space that still flows through is nice.	1/9/2024 8:12 PM
56	Seems like a wonderful place to walk and spend time!	1/9/2024 5:35 PM
57	Walking trails	1/9/2024 4:42 PM
58	trees, garden, canal	1/9/2024 12:51 PM
59	It's Beautiful & makes Good use of the land.	1/9/2024 8:07 AM
60	Variety of trees and the pond	1/8/2024 6:53 PM
61	None of it	1/8/2024 6:27 AM
62	I like the pond and canal, but question water availability for recreation purposes	1/8/2024 6:18 AM
63	Many plants	1/8/2024 2:35 AM

Berthoud Arboretum

64	The variety of vegetation along the walking trails	1/7/2024 7:50 PM
65	The irrigation canal	1/7/2024 7:22 PM
66	I love the diversity and the park-like theme it will give to Berthoud!	1/7/2024 7:17 PM
67	The walking trails amongst nature	1/7/2024 6:33 PM
68	The trails, and theme tribute to Berthoud's ag roots	1/7/2024 6:12 PM
69	All the trees, nature canal, and play structure	1/7/2024 6:03 PM
70	bringing experiential Trees and greenscape into that part of town	1/7/2024 3:37 PM
71	Love the shaded walks and variety of trees.	1/7/2024 12:03 PM
72	Love the thought of a community garden and introducing native plant species back into a dedicated space.	1/7/2024 11:04 AM
73	Too many pathways and not enough useable passive areas.	1/7/2024 8:45 AM
74	Native plants	1/7/2024 6:08 AM
75	Oak Trees and Maples	1/6/2024 9:27 PM
76	Tall trees, nature play areas and walking trails	1/6/2024 9:01 PM
77	The layout with the different species throughout	1/6/2024 8:46 PM
78	The variety of trees and plants	1/6/2024 7:10 PM
79	All the trees and immersion in nature.	1/6/2024 6:48 PM
80	Shaded walking trail.	1/6/2024 5:18 PM
81	Length of trails	1/6/2024 4:52 PM
82	Bringing more outdoor enjoyment to the town. Too many townhomes are being built.	1/6/2024 4:35 PM
83	Trails with space for runners and walkers - no bikes should be allowed on these trails - I am an avid cyclist but this is not the place for bikes as this should be a peaceful place to slow down and enjoy nature without the chaos of cycling.	1/6/2024 4:00 PM
84	Love love love!!!! It's so well planned! I would definitely support a community garden. As a parent I appreciate the natural play spaces and access to a creek/water element. This is going to be a great asset to the community.	1/6/2024 1:42 PM
85	Don't make it	1/6/2024 1:38 PM
86	Multiple pathways are nice, native species use is good.	1/6/2024 1:25 PM
87	Looks beautiful	1/6/2024 1:21 PM
88	I think it is wonderful to see this coming here! The idea of a community garden would be great. I would propose a minimal if any use of pesticides to help keep our air a water cleaner.	1/6/2024 1:18 PM
89	I couldn't get it to open	1/6/2024 12:03 PM
90	We should get a better library	1/6/2024 10:39 AM
91	Open space! Nature! Walking paths with native trees! Yes, yes, yes	1/6/2024 10:34 AM
92	I love it all, I love gravel running trail!	1/6/2024 10:33 AM
93	All of it. Walking, greenery, trees.	1/6/2024 9:56 AM
94	I like all the different areas	1/6/2024 9:44 AM
95	I like that this space is providing accessible walking paths in a fairly natural environment for our community. I also appreciate the town's efforts to grow trees and other plants for the physical, environmental and emotional benefits to our community.	1/6/2024 9:15 AM
96	Yes	1/6/2024 8:46 AM
97	Green space not houses.	1/6/2024 8:30 AM

Berthoud Arboretum

98	Features on the canal that make the water accessible to play.	1/6/2024 7:53 AM
99	The diversity of the plan and how great this will be for the community.	1/6/2024 7:48 AM
100	The winding pathways through the various microclimates	1/6/2024 7:30 AM
101	I like the accessibility/ trail availability	1/5/2024 10:55 PM
102	I love the gardens and the fragrent trees . The multi use trail is very appealing In its meandering path	1/5/2024 10:31 PM
103	It looks beautiful and like a wonderful addition to our community.	1/5/2024 10:25 PM
104	Definitely!! I love the path and the beauty of it. So I can have more optional areas to walk my dog.	1/5/2024 10:01 PM
105	Beautiful. Berthoud is getting better and better!	1/5/2024 8:59 PM
106	The spaces for kids to play	1/5/2024 8:48 PM
107	I think it looks great. Love the winding path throughout.	1/5/2024 8:42 PM
108	It looks very cool. I particularly like the walking paths with a nice natural view.	1/5/2024 7:45 PM
109	It's something out doors	1/5/2024 7:23 PM
110	All of the walking paths and the variety of trees. The overall layout is very pretty	1/5/2024 7:22 PM
111	Adding permanent green space to town.	1/5/2024 7:06 PM
112	Paved paths, water canals with area for kids to play in it, event space	1/5/2024 6:42 PM
113	I love the idea of the tree shaded walking path and picnic tables. This is definitely something my family will use.	1/5/2024 5:28 PM
114	None! Not worth it.	1/5/2024 5:26 PM
115	The walkway through the trees!	1/5/2024 4:50 PM
116	I love the community garden and focus on native species.	1/5/2024 4:45 PM
117	Everything!!!	1/5/2024 4:44 PM
118	Looks like a well thought out design	1/5/2024 4:44 PM
119	It should be a wonderful place to walk and decompress. I just hope that it does not get too crowded.	1/5/2024 4:13 PM
120	Water play near irrigation canal, community garden	1/5/2024 3:30 PM
121	Nature play area, the irrigation ditch with access for kids, community garden	1/5/2024 3:02 PM
122	Use of wild/native plants	1/5/2024 2:27 PM
123	Native plants/pollinator habitat	1/5/2024 2:15 PM
124	Making the canal usable.	1/5/2024 1:56 PM
125	As a homeowner that boards the east boundary of the park we enjoy what has been done thus far, Except for the native grasses idea. It is 50%weeds most , along Bunyan has died because it is never watered or mowed. It is ugly , a breeding ground for mosquitoes etc. The concept looks nice but consider how it going to look in real life not just on a piece of paper.	1/5/2024 1:36 PM
126	Anything that maintains open space in Berthoud, I am in favor of.	1/5/2024 1:29 PM
127	Paths	1/5/2024 12:18 PM
128	All of it looks amazing	1/5/2024 12:06 PM
129	The running trails.	1/5/2024 11:56 AM
130	Vegetation. Access throughout.	1/5/2024 11:44 AM
131	Incredible mix of plant life, the diversity is fantastic	1/5/2024 11:27 AM

Berthoud Arboretum

132	I think it would be a beautiful space and break up all the new construction that is happening around town.	1/5/2024 11:14 AM
133	What I see is gorgeous, I'm very excited for the future of this project. I know it will take time for it to look like this, with the mature trees and landscape. In the future it will be very beautiful. Thank you for putting so much thought into this endeavor.	1/5/2024 10:57 AM
134	It makes Berthoud more beautiful and really follows through on the moniker of being "the garden spot"	1/5/2024 10:46 AM
135	Trees natural setting	1/5/2024 10:03 AM
136	Trails and community garden	1/5/2024 10:00 AM
137	Looks lovely	1/5/2024 9:37 AM
138	I like that the paths are curved and free flowing. I like the variety of vegetation.	1/5/2024 9:33 AM
139	Wow, it's hard to pick! I like the stone canal that kids can play in, I like the crusher fines trail (I've never heard of it, but it looks good for runners), and I love all the trees. You can never have too many trees.	1/5/2024 9:32 AM
140	Variety good.	1/5/2024 9:21 AM
141	The nature play space	1/5/2024 9:14 AM
142	I like the idea of dual paths to allow for walking, running, biking, rollerblading, etc...	1/5/2024 9:13 AM
143	Looks awesome!	1/5/2024 8:16 AM
144	Love the layout & multiuser aspects	1/5/2024 8:14 AM
145	Natural beauty, not another horrid eyesore of tract homes that are being allowed to overtake our town,, preservation of land.	1/5/2024 8:12 AM
146	two types of walkways, how it would add to the town aesthetic overall	1/5/2024 8:10 AM
147	The diverse plants and landscaping	1/5/2024 7:49 AM
148	It's ok.	1/5/2024 7:43 AM
149	Trails, all the foliage	1/5/2024 7:42 AM
150	The irrigation canal	1/5/2024 7:41 AM
151	The fruit trees and community garden	1/5/2024 7:40 AM
152	Looks beautiful and a great place to visit	1/5/2024 7:39 AM
153	I like the amount of trees and plants and the variety.	1/5/2024 7:32 AM
154	Trees and garden, picnic spaces	1/5/2024 7:28 AM
155	The amount of trees planned, we need them.	1/5/2024 7:24 AM
156	I'm a big fan of anything that isn't high-density housing. This also looks beautiful!	1/5/2024 7:17 AM
157	Trails. Community garden.	1/5/2024 7:11 AM
158	The pathways with shade and a pond for those who exercise in the area. The community garden is also wonderful. Maybe get the school kids involved.	1/5/2024 6:56 AM
159	I love that it is a learning opportunity for everyone	1/5/2024 6:55 AM
160	It's an open area with no housing. I love the idea.	1/5/2024 6:53 AM
161	Low water, smart planting is nice. I love the idea of historical irrigation methods!	1/5/2024 6:50 AM
162	I like that it maintains open space on 56. I like the concept of the center pivot, that is iconic for area agriculture.	1/5/2024 6:50 AM
163	Walking trails, low water plants	1/5/2024 6:21 AM
164	This looks amazing! I love the size, scope and design. It will be lovely to have trees, walking	1/5/2024 6:16 AM

Berthoud Arboretum

trails, and a nursery in this space. Love the idea of a community garden, too!

165	Community garden	1/5/2024 6:11 AM
166	Community, Friendship	1/5/2024 5:35 AM
167	Nature instead of buildings	1/5/2024 5:17 AM
168	WOW! IT'S BEAUTIFUL!	1/5/2024 4:15 AM
169	Dual path	1/5/2024 4:13 AM
170	The meandering trails and the canal	1/5/2024 2:03 AM
171	Tree variation	1/5/2024 12:55 AM
172	I like the water features	1/5/2024 12:33 AM
173	Walking paths through beautiful foliage	1/4/2024 10:57 PM
174	Everything. Please do it.	1/4/2024 10:47 PM
175	The trails	1/4/2024 10:31 PM
176	Nothing. If you would of left agriculture in place there would be no need of this.	1/4/2024 10:16 PM
177	Walking paths, gardens, fruit trees	1/4/2024 9:56 PM
178	The nature play area for kids	1/4/2024 9:39 PM
179	A	1/4/2024 9:36 PM
180	It looks great	1/4/2024 9:33 PM
181	Love all the trees	1/4/2024 9:00 PM
182	Playing in the irrigation canal!	1/4/2024 8:52 PM
183	I love the idea of keeping it natural as possible	1/4/2024 8:41 PM
184	Irrigation canal seems really cool, especially with kids.	1/4/2024 8:31 PM
185	The thoughtful nature of the trail paths	1/4/2024 8:29 PM
186	Community garden	1/4/2024 8:25 PM
187	Community garden	1/4/2024 8:20 PM
188	I love the play areas for children! This is a beautifully laid out plan!	1/4/2024 8:13 PM
189	pond! And it shows great features for photo opportunities for prom, homecoming and graduation	1/4/2024 8:12 PM
190	The size and variety. The walking paths are great too.	1/4/2024 8:12 PM
191	I absolutely love the idea of native grasses and clover rather than traditional "lawn grass" - this is such a beautiful plan!	1/4/2024 8:09 PM
192	Overall concept is great. The canal for kid integration is even better.	1/4/2024 8:09 PM
193	Walking trails	1/4/2024 7:54 PM
194	The trails	1/4/2024 7:53 PM
195	What I like most is that this arboretum depicts exactly what Berthoud is all about - the garden spot of Colorado. The crop circle, the community garden, fishing pond, and nature walks/trails bring what Berthoud is all about into one sweet arboretum. This is great!	1/4/2024 7:50 PM
196	Love how secluded each area is, love the design concepts as is!	1/4/2024 7:43 PM
197	I love the variety of plants, plans to support pollinators, and the thoughts given to accessibility and family focus.	1/4/2024 7:35 PM
198	The entire plan looks amazing!	1/4/2024 7:26 PM

Berthoud Arboretum

199	I love the trees and trail through it.	1/4/2024 7:23 PM
200	I love the trail design and presence near the irrigation canal	1/4/2024 7:18 PM
201	It's amazing!! I love the concept and design. I live in Fort Collins and would absolutely come to visit.	1/4/2024 7:09 PM
202	The trail with water crossing	1/4/2024 7:06 PM
203	Love the walking paths among the trees. Also the water play for kids.	1/4/2024 7:03 PM
204	Layered vegetation	1/4/2024 6:52 PM
205	The trails with both concrete and crusher fines.	1/4/2024 6:45 PM
206	Pathways are both crusherfine and concrete. Picnic areas, play areas	1/4/2024 6:26 PM
207	I like the overall concept and plan. The integration of agriculture is amazing here which is very valuable.	1/4/2024 6:25 PM
208	The plans look fantastic, what a wonderful addition for Berthoud and Northern Colorado	1/4/2024 6:24 PM
209	Love the idea of a small fruit orchard, focus on native plants, and playable irrigation canal.	1/4/2024 6:22 PM
210	Water play area for kids	1/4/2024 6:22 PM
211	Trees	1/4/2024 6:05 PM
212	The canal feature for kids to play in. Both hard and soft trails.	1/4/2024 6:01 PM
213	Water features and lots of trees	1/4/2024 6:00 PM
214	So much diversity	1/4/2024 5:45 PM
215	I love that it's green space with trees.	1/4/2024 5:44 PM
216	This is a very bad idea	1/4/2024 5:40 PM
217	Beautiful outdoor space.lots of	1/4/2024 5:37 PM
218	I like the incorporation of native plants and community garden.	1/4/2024 5:34 PM
219	I like the path concept. It would be a peaceful place to walk and meditate.	1/4/2024 5:23 PM
220	I love the idea of the native prairie and wildflower meadow	1/4/2024 5:21 PM
221	I love that there is an area to walk or ride that is surrounded by trees and plants. Much needed shade for outdoor activities that much of the Front Range lacks. Also appreciate focus on natural space vs commercial buildings.	1/4/2024 5:06 PM
222	I love this so much for so many reasons. Would LOVE to see some regenerative ag educational info!!! I would love to help coordinate this project, I can volunteer some time.	1/4/2024 5:04 PM
223	we are so lucky!!	1/4/2024 4:53 PM
224	Community garden, sustainable water practices, and native plants	1/4/2024 4:53 PM
225	Irrigation canal, nature play and the shady trails—really everything!	1/4/2024 4:48 PM
226	The variety of trees and plants	1/4/2024 4:42 PM
227	The trails and the opportunity they provide for a beautiful walking experience. The Arboretum will really beautify roadway.	1/4/2024 4:15 PM
228	Varied landscapes to walk in	1/4/2024 4:06 PM
229	Trees	1/4/2024 3:56 PM
230	Walking paths, trees	1/4/2024 3:52 PM
231	Trees, and water	1/4/2024 3:52 PM
232	Love the different areas, paths and overall feel	1/4/2024 3:52 PM
233	Trails	1/4/2024 3:38 PM

Berthoud Arboretum

234	Maximum use of walking paths.	1/4/2024 3:37 PM
235	I love all the trees!	1/4/2024 3:32 PM
236	The community garden/prchard areas seem super neat! I love all of it though, it looks so neat	1/4/2024 3:31 PM
237	Nothing that I don't like about it	1/4/2024 3:28 PM
238	Love the idea of enhancing an already beautiful space and making it enjoyable for the community	1/4/2024 3:27 PM
239	Yes	1/4/2024 3:26 PM
240	Fishing Dock and the trails	1/4/2024 3:13 PM
241	Trees, pollinator friendly and water wise plants, natural play area, walking trails	1/4/2024 3:12 PM
242	Abundance of trees and natural areas	1/4/2024 3:09 PM
243	tree	1/4/2024 3:09 PM
244	The trails through the park and the community garden!	1/4/2024 3:08 PM
245	trails open space to play in the grass. the community gardens usually become an eyesore..	1/4/2024 3:06 PM
246	Walking trails	1/4/2024 2:53 PM
247	Love the idea of trails and water for everyone to play on	1/4/2024 2:52 PM
248	The community growth area and the walkways. The fun river part where kids can play in the water.	1/4/2024 2:49 PM
249	Native trees	1/4/2024 2:33 PM
250	View, maintaining view corridor, access, conservation of natural resources, addition of beauty and peaceful places, and much more, I'm sure. Thank you for the thoight and planning! So happy to know of this.	1/4/2024 2:29 PM
251	Running paths separate from walking, nice variety.	1/4/2024 2:28 PM
252	Everything but the small irrigated crop circle	1/4/2024 2:19 PM
253	Trees trees trees	1/4/2024 1:58 PM
254	All in all it looks good	1/4/2024 1:52 PM
255	The irrigation channel. Use of low water, local, and pollinated plants.	1/4/2024 1:50 PM
256	I love the plan to try to add a lot of trees and trails	1/4/2024 1:43 PM
257	The plan to plant for pollinators and the secondary trail.	1/4/2024 1:41 PM
258	Planting more greenery for shade on walkways	1/4/2024 1:39 PM
259	I like the trails and the fact that there will eventually be more trees. I like trees.	1/4/2024 1:35 PM
260	I like he foliage and trails intertwinding in it.	1/4/2024 1:35 PM
261	Large deciduiuous trees	1/4/2024 1:30 PM
262	It WAS worth it! A beautiful overall layout, and I love the trail plan and the tree diversity.	1/4/2024 1:29 PM
263	Love all of it! It would make our town so beautiful!	1/4/2024 1:27 PM
264	Providing habit and shade for those that use the space. I love the environmental impact that it would have!	1/4/2024 1:27 PM
265	So many trees! Community garden, playgrounds, canal areas to play in	1/4/2024 1:23 PM
266	Not much, really wish we would get an outdoor pool or other amenities for kids.	1/4/2024 1:20 PM
267	I love most of it and think it's a GREAT idea	1/4/2024 1:17 PM
268	Love the diversity of experiences on what is now a blank slate. Also, love the potential for community gardens/plots - but somewhat unsure how those would be managed?	1/4/2024 1:16 PM

Berthoud Arboretum

269	Concrete walking trails	1/4/2024 1:11 PM
270	shaded walkways, more greenery, native plant species	1/4/2024 1:11 PM
271	The open space and garden feel	1/4/2024 1:11 PM
272	It's hard to choose "most", but I love all the walking trails everywhere so you can have access to and see everything.	1/4/2024 1:03 PM
273	Walking trails and community garden.	1/4/2024 1:02 PM
274	offers a variety of experiences	1/4/2024 1:01 PM
275	pond and trees	1/4/2024 1:00 PM
276	All the trees!	1/4/2024 12:56 PM
277	I love the variety of habitats/ecosystems represented-- it's makes the space more interesting /engaging to visit when it's not just flat paths through a field. I also love the addition of some topography and the fact that the majority of the space is open space/trails rather than "developed" areas.	1/4/2024 12:56 PM
278	Everything about it sounds lovely	1/4/2024 12:51 PM
279	All the trees and native grass	1/4/2024 12:50 PM
280	Wider trails and community garden,	1/4/2024 12:49 PM
281	The private feeling shaded paths and the kid friendly water areas. I am SOOOOOO in love with this. Makes me proud and thankful I live here.	1/4/2024 12:48 PM
282	Not much honestly I would rather our resources be put to the outside pool and park.. that should go BEFORE this.. the town was short sighted in its rec center facility..	1/4/2024 12:43 PM
283	I like the two paths and open space feel.	1/4/2024 12:42 PM
284	Wow! Everything!	1/4/2024 12:35 PM
285	Looks to make the current field into a lovely place to walk or hang out.	1/4/2024 12:33 PM
286	Variety and design, love the trails and space for kids to play/explore	1/4/2024 12:32 PM
287	The walking paths, diversity of native plants, trees, picnic areas, and play areas for families	1/4/2024 12:32 PM
288	It has a nice wandering through the field feel.	1/4/2024 12:30 PM
289	The ability to have a place for my kids to explore without being confined to designed playgrounds and pocket parks. Plus the views	1/4/2024 12:30 PM
290	Bringing nature to urban	1/4/2024 12:28 PM
291	Trails and Trees	1/4/2024 12:22 PM
292	Shaded walkways and water play options	1/4/2024 12:17 PM
293	Yes!	1/4/2024 12:14 PM
294	All of it! Love love the shaded walkways, a potential community garden walkable from many neighborhoods, a nature play area.	1/4/2024 12:12 PM
295	Community Garden	1/4/2024 12:12 PM
296	Nothing, it's too close to residential neighborhoods.	1/4/2024 12:11 PM
297	Pollinators, low water plants, lots of trees, walking in nature.	1/4/2024 12:09 PM
298	It looks amazing so far. I love all the trees being planted. I can't wait to walk through it when the trees get big in 10-20 years. Would be great if you could source bigger trees or fast growing trees so we didn't have to wait for the full effect 10-20 years down the road.	1/4/2024 12:08 PM
299	The community garden/fruit trees and the tree nursery	1/4/2024 12:07 PM
300	Trees, plants and a path. Love it!	1/4/2024 12:06 PM

Berthoud Arboretum

301	Fruit Orchards and the walking paths	1/4/2024 12:06 PM
302	It's beautiful! Complex and stunning.	1/4/2024 12:02 PM
303	Why add to water needs when everything else pushes towards conservation. We are an arid climate and planting trees that require more water than nature gives. Spend money more appropriately	1/4/2024 12:02 PM
304	shaded walking trails, water features, community space	1/4/2024 12:02 PM
305	The crop circle in north community garden to show the agriculture roots our community came from.	1/4/2024 12:00 PM
306	the plentiful walkways	1/4/2024 11:59 AM
307	I like all of it! What an amazing addition to our town!	1/4/2024 11:58 AM
308	native planting, water conscious plans, twisty path, irrigation canals, community spaces, trees for shade	1/4/2024 11:54 AM
309	This is beautiful. Most excited about the added shade, of course the wildflowers will be a close second.	1/4/2024 11:54 AM
310	I love the nature play area and the community garden concept - as well as all of the trees! Truly, this would make a great addition to Berthoud.	1/4/2024 11:53 AM
311	The trees and the open spaces. I like the Roundness throughout.	1/4/2024 11:52 AM
312	I love the trees. I would love to see more trees in Berthoud!	1/4/2024 11:51 AM
313	I love that it would bring back greenery to the space and help that beautify and connect the new rec area with old town.	1/4/2024 11:51 AM
314	All of the options for different types of play for kids	1/4/2024 11:50 AM
315	So far I find it interesting	1/4/2024 11:48 AM
316	I'd love to be able to walk through this area! I love trees and plants and honestly love everything about this plan!	1/4/2024 11:46 AM
317	I love the community gardens and the community lawn. A place to gather and appreciate what god made!	1/4/2024 11:43 AM
318	It isn't houses	1/4/2024 11:43 AM
319	The nature walk	1/4/2024 11:43 AM
320	Everything it looks amazing!	1/4/2024 11:42 AM
321	Plants, historical aspect, nature, walking trails.	1/4/2024 11:32 AM
322	Love that it's a nature area that people can go and enjoy.	1/4/2024 11:27 AM
323	The nature play, safe water play canal	1/4/2024 11:25 AM
324	The water area	1/4/2024 11:20 AM
325	The wide trails and focus on nature play	1/4/2024 11:20 AM
326	Great concept and well thought out	1/4/2024 11:20 AM
327	Trails to accommodate multiple users, use of native and low water plants throughout. Water features will be nice to have provided they are aerated and do not become dry or stagnant.	1/4/2024 11:18 AM
328	I think it's overall awesome! Hopefully there are loads of beautiful flowering trees!	1/4/2024 11:17 AM
329	Walking path and canal	1/4/2024 11:17 AM
330	Love the idea of the low water/xeriscape plants and the canal to irrigate. Love the trails, etc. Not so sure about having an event spot, don't want this to get loved to death by too much use. This should be a quiet, introspective place for people to escape. I used to live by and run in the National Arboretum all the time and it was a wonderful escape. I went there to be alone the	1/4/2024 11:16 AM

Berthoud Arboretum

day my dog died, and I was alone. We need an outdoor space in Berthoud that isn't totally kid-friendly and overrun by people.

331	trees & trails	1/4/2024 11:15 AM
332	Looks amazing. I like how it is designed so that a wide range of recreational and educational activities are possible and at same time providing important conservation, aesthetic and educational benefits	1/4/2024 11:15 AM
333	All the plants!!	1/4/2024 11:14 AM
334	Paths, trees and relaxation spots	1/4/2024 11:13 AM
335	Nothing	1/4/2024 11:13 AM
336	Nothing	1/4/2024 11:11 AM
337	Love the idea of more trees, embracing the farm aspect of the community.	1/4/2024 11:10 AM
338	The aesthetic and concept of having more greenery especially trees in Berthoud!	1/4/2024 11:09 AM
339	Looks amazing	1/4/2024 11:09 AM
340	looks good	1/4/2024 11:08 AM
341	It beautifies that field amazingly! We live just across the street in Gateway Park and look forward to walking through it.	1/4/2024 11:07 AM
342	Water conservation and native plants, somewhere to enjoy nature in town	1/4/2024 11:06 AM
343	I like the variety of areas and different purposes for each area	1/4/2024 11:06 AM
344	More trees	1/4/2024 11:05 AM
345	Community garden, making the corner beautiful rather than adding commercial space.	1/4/2024 11:04 AM
346	I love the trails	1/4/2024 11:04 AM
347	I love it all. I'm excited for walking paths and greenery and flowers!!!	1/4/2024 10:59 AM
348	The design keep with the farm theming and the water canals for kid play.	1/4/2024 10:56 AM
349	The concept as a whole is outstanding, and the continuous use of native trees to separate the pockets of space, and those spaces are more than adequate to use for a small gathering. It will definately draw people to the space to explore.	1/4/2024 10:56 AM
350	Native prairie and pollinators	1/4/2024 10:55 AM
351	I love the trails and the general idea	1/4/2024 10:54 AM
352	Water play for kids	1/4/2024 10:54 AM
353	Love the pond	1/4/2024 10:52 AM
354	The winding trail through. I like when arboretum feel like a secret garden of sorts.	1/4/2024 10:52 AM
355	Irrigation canal and community garden.	1/4/2024 10:51 AM
356	The winding paths that allow for movement	1/4/2024 10:51 AM
357	Trails through out	1/4/2024 10:51 AM
358	What's not to like? Paths, Greenway, trees, and a beautiful experience	1/4/2024 10:50 AM
359	Shade trees	1/4/2024 10:49 AM
360	I like the walkways, it's will be a great place to enjoy nature close to town.	1/4/2024 10:48 AM
361	Looks like a wonderful area to enjoy overall. Although we are not in town we are 5 minutes from here.	1/4/2024 10:46 AM
362	The larger walkways with more narrow dirt walkways	1/4/2024 10:46 AM
363	The different trails and variation of senses	1/4/2024 10:43 AM

Berthoud Arboretum

364	Nature play area and trails/pathways	1/4/2024 10:41 AM
365	The walking paths are fabulous!	1/4/2024 10:41 AM
366	Its beauty.	1/4/2024 10:40 AM
367	The winding trails	1/4/2024 10:38 AM
368	I.... Think I like the plan itself, but this seems like a weird use of funds when we could be doing an expanded library, outdoor pool, and should have done a more robust rec center to begin with.	1/4/2024 10:38 AM
369	Trails!	1/4/2024 10:38 AM
370	I definitely like it, just make sure to keep it maintained and keep the trash kids from destroy like they have done to the bathrooms at the play ground that you can't use.	1/4/2024 10:37 AM
371	I love the natural play area for kids. Including water structures and streams that can be used by a range of ages. The logs and natural pathways.	1/4/2024 10:37 AM
372	Native plantings, diversity, natural play area, trails, community garden	1/4/2024 10:36 AM
373	The community garden and fruit trees.	1/4/2024 10:36 AM
374	Several places to walk, sit, and play. Features for young children to play.	1/4/2024 10:36 AM
375	A place to relax and enjoy nature	1/4/2024 10:35 AM
376	Sounds like a waste of taxpayer money.	1/4/2024 10:34 AM
377	The community lawn	1/4/2024 10:34 AM
378	Beautiful space, would love to have space for community garden and possible plots to rent. Also would love for Berthoud to make this area pedestrian and bike accessible. It would be amazing for most people to be able to bike or walk to this area and not have to access by vehicle. As traffic increases in Berthoud the community planning needs to be intentional to keep these areas bike and pedestrian friendly! Love these plans and the idea of this space	1/4/2024 10:33 AM
379	I don't like the plan. It will use too much water.	1/4/2024 10:32 AM
380	this turns the rec center area into something that is for those without children will find nice to go to as well as those with kids	1/4/2024 10:31 AM
381	The trails and trees.	1/4/2024 10:31 AM
382	A good idea, not sure on community gardens, they often turn into neglected spaces.	1/4/2024 10:29 AM
383	It looks beautiful but who will pay for this??	1/4/2024 10:26 AM
384	The walking trails	1/4/2024 10:24 AM

Q4 Understanding that the arboretum is in its planning stages, what would you like to see added, or adjusted? Berthoud Arboretum.

Answered: 321 Skipped: 132

#	RESPONSES	DATE
1	on #7 it speaks to an Art Project. My friend David Norrie, a local blacksmith and artisan, offered to head a local art project that towns folks could be involved in. He did this once already with the Berthoud Historical Society in creating the Gates at the Museum with townfolks involved. Please contact me at 720-320-1405 if you want Davids cell and etc. He is currently visting Mexico for the winter but will be back in CO soon.	1/16/2024 1:43 PM
2	Would love to see it when link is fixed	1/15/2024 5:53 PM
3	A wild flower farm where u can pick your own. Pay by the bunch.	1/15/2024 8:12 AM
4	Uh, oh! (404 Error) Page doesn't work	1/14/2024 8:54 AM
5	link not working	1/13/2024 2:59 PM
6	More trees and shade! hard to justify calling it an 'aboretum' with a huge crop circle	1/13/2024 2:55 PM
7	Don't use concrete for paths... use gravel or more environmentally friendly material.	1/11/2024 8:41 PM
8	Is there still space for the fireworks show to be set up/lit off for the 4th of July?	1/11/2024 11:11 AM
9	Not sure	1/11/2024 11:07 AM
10	Would rather Berthoud not pursue this at this time.	1/11/2024 9:53 AM
11	Nothing at this time.	1/11/2024 8:08 AM
12	Looks amazing.	1/11/2024 8:04 AM
13	Just want to ensure there is a large enough area at the water that is accessible for kids and dogs to splash and play in the water and on rocks of all sizes. These nodes are what we are always drawn to in Estes, Horsetooth and that stop off after the cherry shop in the way up to Estes.	1/11/2024 7:30 AM
14	Pathways that allow horse traffic and horse driven carts.	1/11/2024 3:47 AM
15	more covered shelter, bathrooms, maybe some artwork with nod to Berthoud's history(native americans and mining or native animals}	1/10/2024 9:54 PM
16	attention to water requirements	1/10/2024 9:20 PM
17	What are the plans as far as security to keep homeless from taking this space over and how does the town plan on paying for this pet project. Also with utilities going up in Berthoud, how does the town plan on paying for those?	1/10/2024 9:19 PM
18	this isn't part of the arboretum per sey but i was really sad to see that there were no tennis courts built in to the park	1/10/2024 6:32 PM
19	I don't see much value in it really.	1/10/2024 5:08 PM
20	Not necessarily.	1/10/2024 5:04 PM
21	I actually really like the layout and the concept of it all.	1/10/2024 4:24 PM
22	Nothing	1/10/2024 4:15 PM
23	Hope this has as many bird and fowl displays/opportunities for the many birds in our area. With the bees I hope that there are bee keepers who put on classes and instructional opportunities for communities. bee bee	1/10/2024 3:28 PM
24	Taking out the community garden. Every community garden spaces I have toured and seen in	1/10/2024 3:27 PM

Berthoud Arboretum

the surrounding areas are relatively unkept and underutilized. I feel like a cottonwood tree display that kiddos can climb/play on would be a more beneficial use, thinking like what is creating along the river area in Longmont.

25	Money spent on open farm ground	1/10/2024 3:17 PM
26	Cancel the plan, unnecessary and wasteful !	1/10/2024 2:46 PM
27	Site prep cost seems high	1/10/2024 2:27 PM
28	Love the design as-is!	1/10/2024 2:18 PM
29	Greenhouse , roses, day lilies, herb garden , seasonal activities , butterfly garden	1/10/2024 1:43 PM
30	Is it interactive at all?	1/10/2024 1:42 PM
31	Goats were listed in 11/Crop Circle Meadow for the North Hub. What if we leaned into our agricultural heritage even more and did community chickens and bees? There are so many families here that are stuck in HOAs that prohibit any kind of non-dog or non-cat animals, and 4H/FFA and the learning opportunities smaller livestock/bees could provide would really benefit the younger generations AND anyone lucky enough to get eggs or honey.	1/10/2024 1:12 PM
32	Flowers	1/10/2024 1:10 PM
33	I would like to remove community garden. They will not be kept up and will look tacky. People can have their own gardens. Also, there should be room for the farmers market. The location it's currently at it not sufficient	1/10/2024 1:08 PM
34	I would like to see this project postponed or canceled.	1/10/2024 12:39 PM
35	Nothing - love all the trees and grassy areas	1/10/2024 12:39 PM
36	Is there a place where pre k-12th grade students could be brought in for instruction to learn about the arboretum ? A theatre like amphitheater setting with natural stone seating would be amazing	1/10/2024 12:14 PM
37	Looks great, maybe some flowers that attract pollinators.	1/10/2024 12:10 PM
38	Bring that price down. \$6 mil is way too much. Will our taxes increase to cover this price? How about you plant some trees at the bike park!	1/10/2024 12:00 PM
39	Looks great	1/10/2024 11:56 AM
40	focus on variety of plants and educational posts to identify plants	1/10/2024 11:39 AM
41	We live just across 287 on cr8 so basically Berthoud is our town There should definitely be some rethinking of the tree planting choices. Willow, cottonwood, hackberry are some of the greatest water hogging trees you can plant and not only that they are in many places considered "trash" trees for the amount of limbs they drop. Please also consider your tree selection in the fragrance section While catalpas are beautiful shade trees the seed pods are messy. There are a number of blossoming trees that do not produce fruit. Nobody likes to step on crabapples and track them home Mosquito in the ponds I am aware this sounds critical and it's not meant to be this will be a wonderful addition to town and one my family will frequent	1/10/2024 9:36 AM
42	I love everything about it, but would like to see a really nice nature park and nice canal area for playing.I would also like a bike trail from the north side of 287 to this area.	1/10/2024 9:05 AM
43	Incorporate edible bushes throughout entire plan. Chokecherry, gooseberry, elderberry are all hardy and fruit at a young age. Add secure storage for communit gardens and a well thought out irrigation system so each bed has individual control over watering frequency and length. Work with local farmers/arborists to provide education for residents and individuals interested in land management. Consider subsurface irrigation for at least a portion of the grass areas to test its viability for saving water.	1/9/2024 8:12 PM
44	The crop circle is kinda weird but overall I like the plan!	1/9/2024 6:53 PM
45	Picnic area	1/9/2024 5:35 PM
46	as man trees as possible	1/9/2024 12:51 PM
47	The necessity, the enormous cost	1/8/2024 6:27 AM

Berthoud Arboretum

48	Less grass and water intensive ground cover	1/8/2024 6:18 AM
49	Koi fish pond, bonsai trees, Japanese themes, zen type events, places to sit, meditate	1/8/2024 2:35 AM
50	Add in several sitting benches and trash/waste containers adjacent to the trail system	1/7/2024 7:50 PM
51	More water	1/7/2024 7:22 PM
52	I appreciate the planning to get to this stage and like it all!	1/7/2024 7:17 PM
53	Design looks great, concerns are maintenance costs and the cost of water to maintain such a large space as well and where the initial funding for this will come from	1/7/2024 6:12 PM
54	No thoughts	1/7/2024 6:03 PM
55	consideration for winter use spaces - ice rink near the parking lot (as an option before the full indoor ice rink comes to town!)	1/7/2024 3:37 PM
56	Support the concept of a community garden	1/7/2024 12:03 PM
57	N/A	1/7/2024 11:04 AM
58	More useable space for passive recreation and Town events.	1/7/2024 8:45 AM
59	Looks awesome	1/7/2024 6:08 AM
60	Water feature or fountain.	1/6/2024 9:52 PM
61	Maybe not the effect that you are going for, but I am always intrigued by what can be grown here if it is placed underground. I would drive to see a walipini section that would be warmer for walking in snowy weather. Citrus can be grown in Nebraska. Just saying it could be interesting to have a demonstration of food crops that could survive in our area with a little geothermal muscle.	1/6/2024 9:27 PM
62	More color	1/6/2024 9:01 PM
63	More water features	1/6/2024 8:46 PM
64	More trees	1/6/2024 6:48 PM
65	Native Colorado vegetation. Xeriscape - do not waste a bunch of water trying to keep thing alive. Keep it natural. Like idea of a community garden. Betty Ford garden in Vail should be used for inspiration.	1/6/2024 4:00 PM
66	Speaking as a creative professional: I can already see so many fabulous events/shows/performances that could happen in this space. I would plan for not only static art opportunities (permanent sculptures/murals) but fluid ones as well (live painting groups, guided nature walks, the string quartet playing out there in the trees at night...)	1/6/2024 1:42 PM
67	Dont make it	1/6/2024 1:38 PM
68	It looks fairly labour intensive to maintain, is there expected budget changes for increased staffing? No information was proided on water use compared to the current state. Linden trees stink, I wouldnt use them in the frangrance garden.	1/6/2024 1:25 PM
69	?	1/6/2024 1:21 PM
70	Anything that helps bring the birds and bees to our town is welcomed.	1/6/2024 12:03 PM
71	Bathroom, out house or porta potty on the south side. Ample places to park and lock bikes up.	1/6/2024 10:34 AM
72	Benches?	1/6/2024 10:33 AM
73	I wonder about the impact of traffic on Mountain and BPkwy.	1/6/2024 9:56 AM
74	More variety of trees, a glass greenhouse	1/6/2024 9:44 AM
75	Bathroom facilities should be provided.	1/6/2024 9:15 AM
76	Maze	1/6/2024 8:30 AM
77	Flower garden for pollinators.	1/6/2024 7:53 AM
78	Not sure about the giant crop circle. I understand the farm theme but it seems like a lot of	1/6/2024 7:30 AM

Berthoud Arboretum

dead space.

79	The path should be wide enough for walkers/ bikers/ strollers/ roller blading	1/5/2024 10:55 PM
80	I'd like to see a mini farm animal opportunity. Where chickens could donate eggs for garden scraps and goats could do some weed control. A bee hive in a far away corner....as I am severely allergic. But honey is a beautiful gift. I'd like to see a community bulletin board type of thing to talk about food, and connect home cooks with a place to get and share all things food related. There is so much food insecurity and \$ for food can be tight. Connecting people with food information can be a blessing.	1/5/2024 10:31 PM
81	I would want to be sure it's beneficial to butterflies, birds and bees. I'm so proud and excited to live in a community that is doing this.	1/5/2024 10:25 PM
82	Please include a disc golf park along the trail or within the trees. A disc golf community would be amazing for the area. It doesn't attract just stoners but good people that want take care of the environment around them.	1/5/2024 10:01 PM
83	More small lakes	1/5/2024 8:59 PM
84	I would like to see a community garden for adults and children and an accessible garden space for special needs kids. To go along with this, I would like an outdoor teaching kitchen so that cooking classes can be held in partnership with the gardening. This space could also accommodate a covered pavilion for tables and shade. I am the director of a youth culinary nutrition program and we've seen tremendous improvement in kids eating habits and food choices with spaces, gardens and experiential learning can take place. My contact: Kimberly Lotd Stewart, eatingbetweenthelines (at) gmail.com. I sound like to support this initiative.	1/5/2024 8:19 PM
85	Walkway lighting	1/5/2024 7:45 PM
86	Please add a disk golf course	1/5/2024 7:23 PM
87	I like it	1/5/2024 7:22 PM
88	More natural high plains plantings and design. All produce grown in community garden to be donated to local food bank.	1/5/2024 7:06 PM
89	Auditorium seating? Gaga ball pit	1/5/2024 6:42 PM
90	I would love to see the community garden and a small orchard	1/5/2024 5:28 PM
91	Not happen	1/5/2024 5:26 PM
92	I understand the irrigation canal and its importance, but also know that mosquitoes will be abundant along the trail. Bat houses? Will stars be more visible from this area with less light pollution?	1/5/2024 4:50 PM
93	I'd love to see a section dedicated to pollinators!	1/5/2024 4:45 PM
94	Lots of benches. Lots of pollinators.	1/5/2024 4:44 PM
95	Possibly some Rose bushes	1/5/2024 4:44 PM
96	Mabey a park bench or two along the way for the older person who may get tired and need a place to rest for a few moments.	1/5/2024 4:13 PM
97	Less lawn, add a fully native demonstration garden	1/5/2024 3:30 PM
98	Maybe information signs throughout that explain what things are or fun facts	1/5/2024 3:02 PM
99	Choose no or minimal irrigation- yes it can be done!	1/5/2024 2:27 PM
100	Make this is accessible for horseback riding.	1/5/2024 2:15 PM
101	No native grasses	1/5/2024 1:36 PM
102	I'd like to see where the funds are coming from.	1/5/2024 1:29 PM
103	Remove the crop circle and replace it with more usable space	1/5/2024 12:18 PM
104	I love the concept. I think I would just hope it would remain free to residents.	1/5/2024 11:56 AM
105	No adjustment recommended.	1/5/2024 11:44 AM

Berthoud Arboretum

106	Looks good!	1/5/2024 11:27 AM
107	Some kind of lighting similar to what you have done on other walkways at the park. Even if solar. The walkway on the West side of Vantage after sunset is so dark you can't see ice, cracks, or at times the side of the sidewalk. Feels dangerous. I would hate to have a beautiful space like this not feel safe after dark.	1/5/2024 11:14 AM
108	The Bathroom areas need to be amended. People with small children or older adults need another option for a restroom break.	1/5/2024 10:57 AM
109	Community garden	1/5/2024 10:03 AM
110	Adequate lighting at night	1/5/2024 10:00 AM
111	I would like to see some sculptures or public art that melds with the landscape.	1/5/2024 9:33 AM
112	It looks like there are a lot of grassy areas besides the place near the picnic area. I'm wondering if those grassy areas could be utilized better, maybe more trees? But I'm no expert. I think it looks amazing!	1/5/2024 9:32 AM
113	I would donate some redwood trees I grow. Dawn redwood, s. gigantea,	1/5/2024 9:21 AM
114	I would love to see another large, nature themed playground in it. This would be a destination park that families could walk/bike to for play in and around hopefully large trees.	1/5/2024 9:13 AM
115	Can't think of anything.	1/5/2024 8:16 AM
116	Keep the integrity of the "garden spot" and history/beauty of our town. Don't let it get overrun by housing developments!	1/5/2024 8:12 AM
117	The community gardens are a great idea in theory, but in practice, may be challenging to manage. We have them in Prairie Star and it is just overrun with weeds. There may be a better use of that space.	1/5/2024 8:10 AM
118	Pedestrian bridge / crosswalk 10E/Berthoud Pkwy	1/5/2024 7:43 AM
119	Native plants and trees to promote pollinators growth and sustainability	1/5/2024 7:42 AM
120	Lots of picnic tables... tall trees or shade Summers around here are brutal.	1/5/2024 7:41 AM
121	More fruit trees	1/5/2024 7:40 AM
122	Trail from neighboring towns that lead to this	1/5/2024 7:39 AM
123	It would be great if a bike path ran through here. But there would need to be a designated lane or dedicated bike path to separate walkers from cyclists.	1/5/2024 7:32 AM
124	Way, way, way less money.	1/5/2024 7:28 AM
125	A variety of shrubs and other foliage native to this area.	1/5/2024 7:24 AM
126	Disc Golf! Just need to anchor 9-18 baskets and we'll have a fantastic course	1/5/2024 7:17 AM
127	Community gardens for local food sources.	1/5/2024 7:15 AM
128	I have no changes	1/5/2024 6:55 AM
129	I think the plan is good as is.	1/5/2024 6:53 AM
130	You know at the museum in Fort Collins, there's a way for kids to physically play with the water table and instruments and learn that way? I was thinking about siphon tubes and irrigation pipe where the center pivot won't be. It would be really neat to have a learning opportunity there. I LOVED irrigation as a kid. So many ways to make a challenging thing fun. We would race each other setting siphon tubes or setting/adjusting "socks" on the metal irrigation pipe. I think there might be a way to incorporate that and include that type of competition or skills into Berthoud Day events when irrigation will start/begin.	1/5/2024 6:50 AM
131	More direct walking paths from Mountain Ave to the Rec Center - nobody wants to meander when they are going somewhere. You can leave some winding/circular trails, but please make some direct lines also. I'd rather not have the community gardens if the people of the community won't use or maintain them (example, Pioneer Park community gardens). More	1/5/2024 6:50 AM

Berthoud Arboretum

spaces where farmers market / festival set up could be incorporated. More pavilion space.
Less tree nursery.

132	Garden for the community, dog park	1/5/2024 6:21 AM
133	Please do this, Berthoud!	1/5/2024 6:16 AM
134	I like the idea of a private place that can be scheduled for private events such as weddings and reunions.	1/5/2024 5:36 AM
135	I think it look great ^& going to keep an eye out on future posts thank u 4 doing this	1/5/2024 5:35 AM
136	No community gardens, if they turn out like the ones in Prairie Star, they will be a failure and nothing but weeds.	1/5/2024 5:29 AM
137	?????	1/5/2024 4:15 AM
138	More interactive features or structures	1/5/2024 4:13 AM
139	I'd like to see fruit trees in cooperated	1/5/2024 4:03 AM
140	I don't care for community plots. I think the housing communities in the area have those.	1/5/2024 2:03 AM
141	Dog park	1/5/2024 1:11 AM
142	Teaching stations, dedicated bee facilities	1/5/2024 12:55 AM
143	more elevation variability	1/5/2024 12:33 AM
144	Arboretum itself looks great! Biking/walking paths from north Berthoud (42nd/Shields) to the Arboretum would be incredible	1/4/2024 10:57 PM
145	A rose garden	1/4/2024 10:31 PM
146	Your buying into thinking you can control the environment	1/4/2024 10:16 PM
147	Start ASAP!	1/4/2024 9:39 PM
148	All the greenery, natural playground, and canal	1/4/2024 9:36 PM
149	Some sculptures would be awesome	1/4/2024 9:33 PM
150	What are the use opportunities? Events ie concerts, weddings etc? We have such a growing population, I feel like we need more opportunities for multi use areas, who will maintain it?	1/4/2024 8:41 PM
151	Maintenance is well planned for. Looks cool and would like it to stay cool in future.	1/4/2024 8:31 PM
152	Easier paths across town to get there	1/4/2024 8:29 PM
153	The crop circle thing is a neat idea, but seems to take up too much area.	1/4/2024 8:20 PM
154	I do not live in the community but am active in the community with meals on wheels. The area needs to remember people with limited mobility love to be able to explore. They also like to feel off the beaten path even with wheelchairs and walkers.	1/4/2024 8:13 PM
155	more seating areas, I might have missed them but just thought a good bench to possibly sit and read a book while enjoying the outdoors and arboretum	1/4/2024 8:12 PM
156	Sidewalks connecting to the Prairie Star community	1/4/2024 8:12 PM
157	Maybe more trees - I'm a huge fan of trees. And maybe rethink the concrete? Natural paths would be so much nicer	1/4/2024 8:09 PM
158	How it will be sustainable? Not just the first 3 years, but how will it be maintained the next 20 years?	1/4/2024 8:09 PM
159	Have bathrooms located at a few locations	1/4/2024 8:06 PM
160	Make the pivot not functional and do not grow anything in the circle field	1/4/2024 7:54 PM
161	More water features, and local history information along the trails	1/4/2024 7:53 PM
162	This is a spectacular plan that keeps Berthoud in its true form, a garden spot. I hope the plan is implemented as is. I would not change a thing. I do hope that any tees are planted so that it	1/4/2024 7:50 PM

Berthoud Arboretum

feels like a true arboretum. This is a refreshing plan, given all of the many homes and neighborhoods going in that are taking away from the greenery.

163	Curious if any of the paths would have any light lighting for those strolling the arboretum at night?	1/4/2024 7:43 PM
164	Sculpture and art that is connected to the farming community could be a great addition	1/4/2024 7:35 PM
165	I worry about the upkeep on a community garden. I have not seen any that are successful in the surrounding area. They become neglected and weed ridden if it does not have a management team running it.	1/4/2024 7:23 PM
166	Regular cleaning for the irrigation pond and canals, perhaps by coordinating volunteers?	1/4/2024 7:18 PM
167	Are the plans for signage/ markers/ educational posts/ self guided tours/ interactive app?	1/4/2024 7:09 PM
168	Not sure yet. Looks good so far.	1/4/2024 7:03 PM
169	Nothing!	1/4/2024 6:45 PM
170	Any drinking fountains or water bottle fill stations? Any agricultural interpretative signs about Berthoud in the area?	1/4/2024 6:26 PM
171	Maybe a bigger running section, so you can run with dogs. However, I think this should also be horse friendly for trail rides.	1/4/2024 6:25 PM
172	Honestly, I thought I would have a lot to add, but after double checking all my ideas have been covered, and I have no major concerns.	1/4/2024 6:22 PM
173	Actual fruit bearing trees which would be open to the public to harvest from. Same with the veggie beds or any community garden.	1/4/2024 6:22 PM
174	Use native plants	1/4/2024 6:05 PM
175	Benches near the canal crossing/play area. Make the play area larger so more kids can use it. More picnic areas available.	1/4/2024 6:01 PM
176	Make sure water is used wisely and explain in signs how people in the area can use those ideas.	1/4/2024 5:45 PM
177	I might have missed it, but flower gardens would be nice.	1/4/2024 5:44 PM
178	Berthoud should be recruiting new business that will provide tax revenue for the town, not wasting funds on nice to have attractions like arboretums.	1/4/2024 5:40 PM
179	A lot of flowering bushes and trees.	1/4/2024 5:37 PM
180	I think it's very important to really focus on native plants in all areas of the garden.	1/4/2024 5:34 PM
181	No	1/4/2024 5:23 PM
182	As much xeriscaping as possible. No cottonwoods	1/4/2024 5:21 PM
183	Crosswalk that allows access from Gateway Park via Berthoud Parkway.	1/4/2024 5:06 PM
184	Regenerative agriculture practices, zeriscape educational beds, organic community garden would be AMAZING.	1/4/2024 5:04 PM
185	More community garden	1/4/2024 4:53 PM
186	It looks amazing.	1/4/2024 4:48 PM
187	Not sure about the community garden. Others I've seen tend to not be kept in good shape and aren't utilized.	1/4/2024 4:15 PM
188	I think the plan is great!	1/4/2024 4:06 PM
189	Add more xeriscape so less watering.	1/4/2024 3:56 PM
190	None . It is perfect	1/4/2024 3:52 PM
191	Shade structures	1/4/2024 3:52 PM
192	No fishing.	1/4/2024 3:37 PM

Berthoud Arboretum

193	Safety considerations. Lighting at night.	1/4/2024 3:32 PM
194	Nothing! I love this!	1/4/2024 3:31 PM
195	amphitheater	1/4/2024 3:28 PM
196	It honestly feels like it has everything!	1/4/2024 3:27 PM
197	Yes	1/4/2024 3:26 PM
198	Mosquito abatement measures	1/4/2024 3:13 PM
199	Use of grass. I think with all the other grass areas available near the rec center we should focus on water wise and native plants, herbs, trees and shrubs. Let's model how a sustainable and water wise area can be both beautiful and beneficial to the environment.	1/4/2024 3:12 PM
200	No pavement. Keep it natural.	1/4/2024 3:09 PM
201	Surveys should be neutral. This is very leading and as such I will not support this project.	1/4/2024 3:09 PM
202	More water features.	1/4/2024 3:08 PM
203	no private areas keep it all public to the Town of Berthoud	1/4/2024 3:06 PM
204	A crossing from Lake Ave (Gateway Park) to the arboretum. Very dangerous to cross and NO sidewalks on the west side of Berthoud Parkway!	1/4/2024 2:53 PM
205	Some Abororetum have fun little scavenger hunt plaques for kids.	1/4/2024 2:52 PM
206	There has to be one or two more uses for this wonderful property that benefit the public. It's large so let's maximize the space. People are always looking for wedding and even venues. What about providing a part of it that includes hookups and water and all of the things an event planner needs and charge for it, so you can bring money in. A beautiful place where people can take photos and lush backdrops, etc. Maybe a small learning center for kids to learn about the flora and fauna and history of Berthoud and Colorado?	1/4/2024 2:49 PM
207	Native plants and trees. Conservation of water.	1/4/2024 2:45 PM
208	Water conservation methods (less lawn/grass)	1/4/2024 2:33 PM
209	Along the trails and different coves, have signage to identify the tree species and other fun facts to help educate while you explore	1/4/2024 2:26 PM
210	Not much change	1/4/2024 2:19 PM
211	No matter the location in the USA multi use paths have conflicts between users. Eliminate the soft path and save a few dollars. I love doges and bicycles but in the confines area restrict the path to walking only. No bikes, no skates it skate boards no scooters and no jogging or running and no dogs. It is easier to be very restrictive to start and modify latter on. But for now make it a walking pedestrian only path.	1/4/2024 1:52 PM
212	It is hard to tell- is there opportunity for fishing? If not would love to see something added to be able to fish.	1/4/2024 1:50 PM
213	I really hope that there will be a play area for kids that is actually shaded. Most CO parks are in the pure sun. It'd be great to have a park with (soon to be) tall trees around it.	1/4/2024 1:43 PM
214	Native grasses not turf	1/4/2024 1:42 PM
215	More emphasis on planting for pollinators and birds.	1/4/2024 1:41 PM
216	ALL plantings MUST be native to this ecoregion! The tree list is all I saw, but there are non-natives on it. The native garden should not JUST be a demo garden, it should be every single tree, shrub and forb on the property! You have a great opportunity here, don't mess it up!	1/4/2024 1:40 PM
217	Nothing	1/4/2024 1:39 PM
218	no opinion	1/4/2024 1:35 PM
219	I believe a pleasant addition would be more large sculptures that compliment the ambience of the design.	1/4/2024 1:35 PM

Berthoud Arboretum

220	Even more trees!	1/4/2024 1:30 PM
221	Note: contingency number is 10% not 15%.	1/4/2024 1:29 PM
222	Perhaps a small amphitheater for music	1/4/2024 1:27 PM
223	As much shade as possible. Pollinator plants away from children's play areas.	1/4/2024 1:23 PM
224	More parking at Wagner farm park, existing is not adequate . Also better ways to cross roads to get here. As it stands it is not safe for my family to get to this park	1/4/2024 1:20 PM
225	You need a wind break for the fruit trees. Our westerly winds can blow all the blooms off trees in the Spring - meaning the trees bear no fruit, and usually die young. Switching 3 with 16, OR planting a wind break for the fruit trees would be beneficial	1/4/2024 1:17 PM
226	It'll obviously take time to establish the trees/plantings. Excited for the future of this space, if this comes to fruition. Identification of trees/plantings would be great, from an educational aspect.	1/4/2024 1:16 PM
227	I love the idea for a community garden! I would definitely participate in this. However, I would like to see a clear plan of accountability for maintaining the garden. The garden by Pioneer Park always struggles to get volunteers and the garden in Prairie Star is a complete dump. How is this garden going to be kept up and looking nice?	1/4/2024 1:11 PM
228	This plan looks great	1/4/2024 1:11 PM
229	Nothing!	1/4/2024 1:02 PM
230	Just want to make sure this will allow for Berthoud's July 3rd Fireworks to continue at this site?	1/4/2024 1:01 PM
231	sculptures	1/4/2024 1:00 PM
232	Pet waste stations throughout and possibly another restroom along the trails (unless you want people peeing and possibly leaving TP).	1/4/2024 12:56 PM
233	Plenty of benches throughout for the elders	1/4/2024 12:51 PM
234	Fruit trees	1/4/2024 12:50 PM
235	Trails. Need to include fruit trees near the community garden.Excess to Habitat for Humanity.	1/4/2024 12:49 PM
236	I would be curious to know how the lavender, sunflowers, and fruit are used/dispersed. I would love to have some. Plenty of safe places for kids to play, especially in/around the canals. Lots of sitting areas and picnic areas. Some dispersed picnic tables would be nice. To give families a bit of privacy to relax.	1/4/2024 12:48 PM
237	Do not build it until the outdoor park and pool is complete	1/4/2024 12:43 PM
238	Love the idea that the kids can play in the canal. Want to make sure it is safe for younger kids. Lavern Johnson park in Lyons has a great play area! I also would like to see park grills at the picnic pavilions	1/4/2024 12:42 PM
239	Unsure of community garden. I've seen a few go astray if/when people stop caring for them.	1/4/2024 12:35 PM
240	Since there will be lots of walking trails make sure to have benches for resting, trash cans with doggie poop bags & maybe at distant areas bathroom.	1/4/2024 12:33 PM
241	More bathrooms and more picnic tables	1/4/2024 12:32 PM
242	An equine path, perhaps around the perimeter	1/4/2024 12:32 PM
243	I would not want concrete walkways. I would like to see a highly comparable alternative that still meets wheel chair accessibility requirements	1/4/2024 12:30 PM
244	The crop circle seems rather irrelevant and not sure what purpose it serves aside from a living museum of sorts to capture the farming history of the town. What will the products be used for? Will it work or will the pivot be for decoration? Is there a maintenance plan developed or will this be yet another good idea (not specifically an insult to Berthoud) that gets built and left to squalor?	1/4/2024 12:30 PM
245	More learning opportunities for plant/tree varieties and native animals	1/4/2024 12:28 PM

Berthoud Arboretum

246	Security for pedestrians - any alert posts?	1/4/2024 12:22 PM
247	Yes!	1/4/2024 12:14 PM
248	Would love the inclusion of an accessible community garden. Also maybe a small hut near the nature area for hosting small classes/ workshops.	1/4/2024 12:12 PM
249	This is a great idea!	1/4/2024 12:12 PM
250	The location to be moved east towards I-25.	1/4/2024 12:11 PM
251	Possible a dog park we could stop at when walking our dog.	1/4/2024 12:08 PM
252	Educational resources throughout describing types of plants and planting styles, opportunity to volunteer the help with maintenance	1/4/2024 12:07 PM
253	Fragrant trees and bushes please	1/4/2024 12:06 PM
254	Even more walking paths would be great! Hard to tell how long the trails are, but as much walkability as possible would be great.	1/4/2024 12:02 PM
255	It would be great if the fruit orchard was free to pick. Is that already the idea?	1/4/2024 12:02 PM
256	Making sure the native and "wild flower" areas are within guidelines of towns current weed ordinance, as may be in violation	1/4/2024 12:00 PM
257	make it accessible by walkway north of town past vantage where there are many homes. why spend the money on this when we can't even get sidewalks?	1/4/2024 11:59 AM
258	A bathroom would be nice.	1/4/2024 11:58 AM
259	Plan for actually caring for it - seen things like this in other communities that end up neglected because there was no plan or budget for maintaining	1/4/2024 11:54 AM
260	Nothing at this time.	1/4/2024 11:53 AM
261	Places to sit and enjoy the space along the trails, especially for people that can't get around as easily.	1/4/2024 11:51 AM
262	Nothing really. But I'd like to hear how the town will pay for it before proceeding. Our schools desperately need help and or a new school built and I'd like a phased plan to put less burden on the taxpayers.	1/4/2024 11:51 AM
263	More options to get from the primary path out to other exits.	1/4/2024 11:50 AM
264	A cafe, restroom and educational center. To consider	1/4/2024 11:48 AM
265	Nothing I can think of.	1/4/2024 11:46 AM
266	I'd love to see a beautiful gazebo area or something of the like. Somewhere family photos could be taken or weddings could be hosted!	1/4/2024 11:43 AM
267	Yes	1/4/2024 11:43 AM
268	No input	1/4/2024 11:43 AM
269	I'm against building the Arboretum or at least cut the size in half	1/4/2024 11:42 AM
270	Cost effective.	1/4/2024 11:32 AM
271	Make it visually appealing and as little man made items as possible. If there are man made items try to make the rustic looking so blends in with nature.	1/4/2024 11:27 AM
272	1. I wish the nature play area was set further back from the pond. With multiple little ones its challenging to keep them safe. 2. For kids who are terrified of bees/wasps (or allergic) I wish the fruit orchard/trees were set further away from the parking lot, basketball court and main playground. Having to walk through those at the beginning is not ideal in preventing stings. 3. Are there public bathrooms anywhere on the south side by the pond/nature area? To pull several young kids from that area to weave through the trails to get to the north side, especially while potty training would be horrible!	1/4/2024 11:25 AM
273	-	1/4/2024 11:20 AM

Berthoud Arboretum

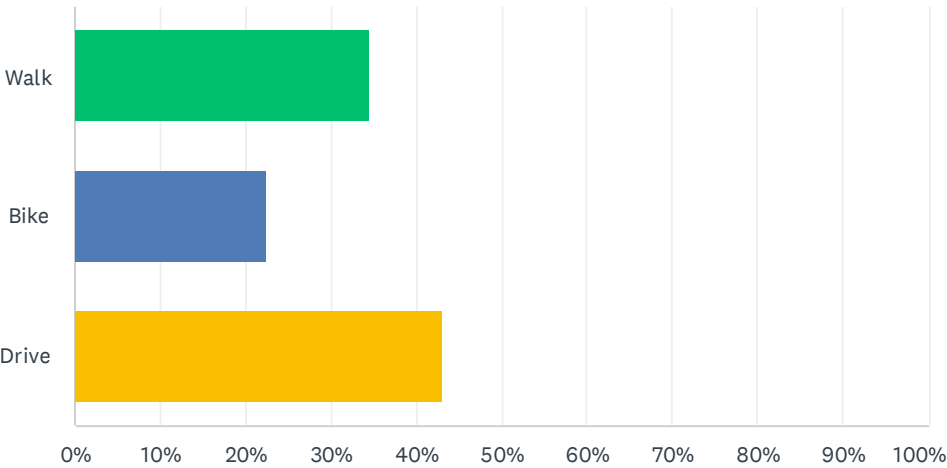

274	Water features that could double for fishing recreation (possible stocking program with CPW)	1/4/2024 11:20 AM
275	More trees to line pathways, tall fast-growing trees on west side to provide wind and sound buffer. Groves rather than lines of trees to create better wildlife habitat, current plan has too many exposed trees that would not provide nesting or shelter habitat for birds and mammals. Dog park or off-leash area could be added at minimal cost as this is lacking in Berthoud.	1/4/2024 11:18 AM
276	Small outdoor amphitheater for gathering and learning	1/4/2024 11:17 AM
277	Get rid of the event space. This should be a calm getaway from the excessive population growth in town.	1/4/2024 11:16 AM
278	Would be nice to have indoor areas/buildings. It could serve several purposes including meeting/lecture space for classes/guest speakers.	1/4/2024 11:15 AM
279	One big question is how arboretum will be coordinated with CSU, and other regional forestry and botanical programs in region. In particular it should be a unique opportunity to test new species and varieties of street trees for Berthoud and surrounding regions. I would encourage planners to talk more with organizations working on testing trees for our region esp. for resistance to diseases and stresses of climate change. For example there are many oak species from the southern plains region that are considered good candidates for our region as they are adapted to clay soils and hot dry conditions.	1/4/2024 11:15 AM
280	Scrapped, waste of money	1/4/2024 11:13 AM
281	How about not wasting the money and instead fixing the infrastructure etc	1/4/2024 11:11 AM
282	More trees, pond, as little irrigation as possible, some sustainability practices	1/4/2024 11:10 AM
283	If dogs are allowed or not and if there will be poop stations with bags and leash enforcement	1/4/2024 11:09 AM
284	Nothing	1/4/2024 11:09 AM
285	lavender field and a rose garden or walk way	1/4/2024 11:08 AM
286	Nothing I can see.	1/4/2024 11:07 AM
287	More open space where are we going to watch and sit for fireworks? How much is this going to cost? Berthoud needs to stop the excessive housing and work on our infrastructure.	1/4/2024 11:06 AM
288	I would like the arboretum to include both a community garden available for rec center members, and a series of educational activities for young and old about the plants and gardens in the arboretum. This educational effort could be a joint venture with CSU and perhaps even offer class credit. I would also like the arboretum to include a garden labryinth https://www.onlyinyourstate.com/wisconsin/labyrinth-garden-earth-wi/	1/4/2024 11:06 AM
289	More trees	1/4/2024 11:05 AM
290	Think it looks great!	1/4/2024 11:04 AM
291	Maybe not what you're looking for but kids gardening activities would be fantastic. Gardening with a farm to table course would be amazing.	1/4/2024 11:04 AM
292	easier access for the community garden for anything with wheels, especially if those servicing it need to get in to weed/plant and pick.	1/4/2024 10:56 AM
293	More artwork, whether it's interactive or not. Similar to the sculpture park in Loveland. Would love somewhere for the kids to have interactive art to experience.	1/4/2024 10:56 AM
294	I love this plan and we are very excited	1/4/2024 10:54 AM
295	More zeroscape	1/4/2024 10:52 AM
296	I'm not sure the commuity garden is necessary. Some neighborhoods already have this.	1/4/2024 10:52 AM
297	More social areas	1/4/2024 10:51 AM
298	Hard to say at this point	1/4/2024 10:50 AM
299	Move the community garden from Pioneer park because no one takes care of it.	1/4/2024 10:49 AM
300	Is the pathway for walking only? If bicycles are allowed there might be too many people on the	1/4/2024 10:48 AM

Berthoud Arboretum

	path?	
301	Please ensure any water children will be playing in will not be contaminated by pesticides and herbicides.	1/4/2024 10:46 AM
302	I would like to see gazebo/picnic areas that could be rented...similar to Lovelands mcaffey (?) park	1/4/2024 10:46 AM
303	An option for residents to purchase a memorial bench, stone, etc.	1/4/2024 10:43 AM
304	Please ensure any raised deck areas have ramp access	1/4/2024 10:41 AM
305	Can't think of anything.	1/4/2024 10:41 AM
306	Could you add an outdoor classroom?	1/4/2024 10:39 AM
307	Mile markers, public art	1/4/2024 10:38 AM
308	Small open area?	1/4/2024 10:38 AM
309	Make sure there is shade! Even if adding sails to make shade until the trees grow I.	1/4/2024 10:37 AM
310	The plans should focus almost exclusively on native plantings, low water (no irrigation), and creating awareness around biodiversity. Minimize water hungry trees or non-native species. No pivot irrigation! While agriculture has been a large part of our history, we should be focusing on living in a way that reduces our footprint and encourages better understanding around the importance of regenerative practices (both in ag and residential)..	1/4/2024 10:36 AM
311	Some more art in the form of bronze sculptures similar to the sculpture garden in Loveland.	1/4/2024 10:36 AM
312	Take some ideas Central Park it is a beautiful place to visit	1/4/2024 10:35 AM
313	Nothing. Get rid of it.	1/4/2024 10:34 AM
314	The scope is too big, you can't even paint lines on roads. How do you expect to maintain a project like this.	1/4/2024 10:34 AM
315	community garden was mentioned, that would be neat	1/4/2024 10:33 AM
316	Plots that citizens could utilize to garden and build community.	1/4/2024 10:33 AM
317	Permaculture Design Xeriscape Eco-Conscious Landscaping	1/4/2024 10:32 AM
318	not sure the point of the Interpretative Center Pivot Irrigation Relic is, considering it takes up so much space and is not natural like the rest of the plans	1/4/2024 10:31 AM
319	I can't think of anything.	1/4/2024 10:31 AM
320	Looks pretty good, seems like it will take a lot of effort to maintain. How will this be paid for/	1/4/2024 10:29 AM
321	Who will pay for this?	1/4/2024 10:26 AM

Q5 How would you commute to this park?

Answered: 443 Skipped: 10

ANSWER CHOICES	RESPONSES	
Walk	34.54%	153
Bike	22.35%	99
Drive	43.12%	191
TOTAL		443
